

RETIREES WITH COLORS FLYING—literally. Capt. Dales Hodges, (right) adjutant of the 22nd Artillery Group (Air Defense), Orland Park, was honored with a parade last Friday afternoon to mark his severance from active duty after 20 years of service in the U. S. Army. The ceremony took place in Memorial Park at Tinley Park where units of the 22nd Artillery Group with a Color guard and a drum and bugle corps from the 45th Artillery Brig., passed in review before Capt. Hodges. There were many civilians from the area present at the ceremony. The others in the picture left to right, are: Col. A. W. Masters, commandant; Elmer Knudsen, mayor of Tinley Park; Harold Moore, chief of police, Tinley Park and Selby Hirsch, head of the Tinley park commission. (Marvin Smith photo)

It Costs to Sell

Orland Acts to Control Peddlers

The Orland Park village board has adopted two ordinances covering door to door canvassing and sales.

One covers solicitors, the other peddler and hawkers. A solicitor is defined in the ordinance as one who calls from house to house taking orders of wares or merchandise to deliver or who solicits gifts, donations etc.

Peddlers and hawkers are defined as persons who sell wares and merchandise from door to door, making deliveries on the spot.

Either solicitor or peddler must register with the Orland Park police department, giving their address, place of birth, and their

height, weight and color of eyes and hair are also written down, together with the make and model of their cars or vehicles, plus the license number. They must also submit to having their fingerprints taken.

All this is done to enable authorities to check on the applicant and to provide them with a record in the event complaints are received.

When an applicant is cleared he is then given a license. The fee for a solicitor's license is \$2 and it is good for 30 days.

In the case of a peddler or hawker the license fee is \$25. Peddlers also are restrained

from crying their wares, ringing bells, blowing whistles or using radio or phonograph devices for attracting attention of potential buyers.

If a prospective customer tells them to leave the premises it is best they do so because according to the ordinance refusal to obey a verbal heave-ho is an offense. High pressure tactics, sometimes known as the "hard sell," are also taboo.

Peddlers and hawkers are banned from plying their trade before 8 a.m. or after 6 p.m. Fines for violations under either ordinance range from \$5 to \$200.

CD Unit Opens Instrument School

The first class in a civil defense course dealing with the measurement of radioactive fallout was conducted in the Carpenter street school at Mokena Monday night by Robert McFadden, assistant civil defense director at Joliet.

It is a 10 hour course according to Anthony Dina, director of civil defense in Mokena, and is still open to interested persons. Each class session is two hours and there will be four remaining sessions. Classes will be held at the school

on Monday nights, from 7 to 9 o'clock.

Those taking the course learn how to handle Geiger counters, a survey meter, which also is used in tracking down radioactive elements, and dosimeters, small instruments about the size of a fountain pen, used to measure the amount of radioactivity in a person.

Dosimeters would be used especially in checking on civil defense workers engaged in

rescue endeavors and as a result exposed to radioactivity. A person is said to be able to tolerate so much of it and then has to be excused from duty until some is eliminated.

The government is sending instruments to the Mokena CD unit, two Geiger counters, three survey meters and six dosimeters, representing a value of some \$1,600.

There were 19 members in the class last Monday night but others can be accommodated.

New Lenox Band Boosters Meet New Director

The New Lenox Band Boosters met for the first time this year at Haven school Tuesday, Sept. 16. The new president, Mrs. Michael Brueggemann introduced the officers, Mrs. Royal Corp, vice president; Mrs. Don Anderson, secretary; C. T. Baldwin, treasurer.

She also announced chairman for the year to be Mrs. Darwin Mangum, hospitality; Mrs. William Knowles, publicity; Mrs. Roy Fitzer, telephone Charles Fleischman, auditing; Mrs. Lyle Beadles, merit system; Mrs. Edward Venkus, his torian; and Milton Mojsiz, program chairman.

John Oster, superintendent, introduced the new music and band director, Milton Mojsiz, formerly a resident of Berwyn, who recently received his master's degree from the University of Illinois.

After acquainting the Boosters with more of his personal background, Mojsiz outlined some enthusiastic plans for the coming year, and presented the beginners or "B" band in several selections. The members who played were Edward Beadles, Sally Bell, Sherill Douglas, Jim Giordano, Wayne Gobush, Frank B. Knowles, Lois Ruhle, Mike Spiess, and John Venkus.

Refreshments were served by members of the board.

Arthur Mark Sr. of Frankfort Dies After Long Illness

Funeral services for Arthur Mark Sr., of Green Garden township, were held last Saturday in the Frankfort Methodist church. The Rev. Ben Day officiated. Burial was in Rose Hill cemetery, Green Garden.

Mr. Mark was born in Green Garden township March 1, 1902 and was a farmer in the area until his death in

Chickens Destroyed on Saxton Farm

Between 80 and 90 White Rock chickens were killed some time during the night Sunday at the Oil Saxton farm, located two miles east of Mokena.

The farmer discovered the dead chickens some of which had been partly devoured, on Monday morning. His assumption is the chickens were attacked by a pack of dogs.

The farmer, who does not own a dog, said he heard dogs barking during the night. Entry was made to the brooder house where the chickens were by breaking thru a plastic screening.

Orland Park Seeks Chief

When the Orland Park village board met Monday night, it was learned that the village is seeking a police chief and plans to purchase a new squad car. Hired as police officer for a probationary period was Clarence Lew, 32.

Most of the streets in the village have now been completely resurfaced, according to Street Chairman, Ike Cleveland.

The village clerk was instructed to direct a letter to Northern Illinois Gas Company, in regard to their inspecting some of the streets where men from the company have been working. The board claims that in installing gas mains, in some instances they were not back filled properly.

The board will also ask the county highway department to install stop signs at 147th, 149th, and 151st on West ave, which is a thru street.

Silver Cross hospital, Joliet on Sept. 18, following a lingering illness.

He is survived by his widow Elsie; two sons, Arthur, Jr., and LeVerne; one daughter, Miss Mary Elizabeth Mark, and four brothers, William, Henry, Charles and Frank all of Frankfort.

Wilsterman's Settle Lawsuit For \$13,000

Three members of the Guy Wilsterman family of New Lenox, Mr. and Mrs. Wilsterman and their 4-year old son Bruce—have received \$13,000 in an out of court settlement of two suits totaling \$12,000 which grew out of an automobile accident.

The accident occurred Feb. 2, 1956 on U. S. 30 about two blocks west of Gougar rd.

The pavement was icy and the car that was being driven west by Mrs. Wilsterman skidded across the highway, bringing up against a tree. Mrs. Wilsterman, her son and other occupants of the car alighted and were examining the damage when a car, also traveling west, and driven by Mrs. Edna Spiess of Mokena, skidded at about the same spot and following the path of the other machine, rammed into the group of people and then hit the Wilsterman car.

Mrs. Wilsterman (Delores) and her husband asked \$72,000 for injuries to her and damages to the car. Mr. Wilsterman also asked \$40,000 for injuries to the child. The suits were directed against Mrs. Spiess. Other suits also were filed against Mrs. Spiess, who was represented by the law firm of Dunn, Stefanich and McGarry. The Wilstermans were represented by Barr and Barr.

Seeks Injunction Against Neighbor For Blocking Drive

Mrs. Barbara Frank of New Lenox is seeking an injunction in the Will County Circuit court to restrain her neighbors Richard and Mayme Harris, from obstructing a driveway that serves her property.

According to the complaint, Attilio and Florence Grossich sold and deeded the property to Joseph and Barbara Frank in New Lenox.

Mrs. Frank charges the Har-

WILL HEAR CITY PLANNER

Nick Yunker Succumbs at 84; Rites Tomorrow

Nick Yunker, 84, a resident of the area all his life, died in his home, 191st and 76th av., Mokena, Tuesday morning following a long illness.

He was born June 20, 1874 in Orland Township and farmed at the above location for 52 years, retiring three years ago.

Surviving are two daughters, Mrs. Minnie Graves, Mokena, and Mrs. Elizabeth Warning, Mokena; two sons, Phillip, Hazel Crest and Fred Mokena; 12 grand children, 11 great grandchildren and a brother Edward of Orland. His wife Katherine, nee Bornstedt died in 1941 and a son John and brother, Henry of Mokena passed away this year.

Friends may call at his late home this afternoon and evening. The remains will be taken to St. John United church in Mokena Friday noon to lie in state until 2 p.m. when services will be conducted by the Rev. William Riemann. Burial will be made in St. John cemetery.

Death Claims Hulda Lind, 88; Ned 68 Years

Mrs. Hulda Anderson Lind, 88, of Mokena, died in Silver Cross hospital Tuesday afternoon last Friday, after a short illness. She entered the hospital

Born in Sweden, Aug. 27, 1870 she came to this country, alone, in 1884 and made her home with an aunt and uncle, the late Mr. and Mrs. John Erickson, who then lived in New Lenox township. Later they moved to Mokena to their farm which was located at the east end of Front st. She found employment in Chicago and it was there she was married to Charles Lind, March 2, 1890. They lived in Chicago until 20 years ago when he retired and moved to Mokena where they have lived since, on McGovney st. This past March she and her husband were privileged to celebrate their 68th wedding anniversary.

Beside her husband she is survived by three sons, Sidney, Mokena; Arthur, Cheyenne Wyo., and Harry of Chicago; six grandchildren, four great-grandchildren, and a brother and sister in Sweden.

Removal was to the Hirsch chapel in Tinley Park where friends may call this afternoon and evening. Services will be conducted in the chapel Friday afternoon at 2 o'clock. Burial will be made in Oak Hills cemetery, Chicago.

New Water Meters In Mokena Not Free Officials Declare

A misunderstanding over some of the terms used covering the replacement of water meters in the village of Mokena has led to some confusion and it is hoped that this will clear the situation.

On Sept. 11 a story was published to the effect that water meters which could not be repaired would be replaced, at the expense of the owner.

A correction was asked last week and a story was carried to the effect that such meters would be installed without expense to householders.

Now this week village officials want it to be made clear that when a new meter is installed, either to replace one that is worn out, or in a new home, the owner must deposit \$30 with the village. If, and when, the owner disposes of the property served by the meter, his deposit will be refunded.

And no one injured—that was the fortunate thing about the Rock Island freight wreck at Midlothian last Friday morning. Had there been commuters on the station platform at the time the cars piled up undoubtedly some would have been killed.

Lions Club Arranges For Open Meeting Next Thursday Night

Area residents interested in land use planning will have an opportunity to hear the subject discussed by an expert next Thursday night.

The Mokena Lions club will have Carl Mühlenbruch, head of the Educational and Technical Consultants of Evanston as a dinner guest that evening. The dinner will be served at 7 o'clock in St. Mary's Social Center, on Wolf road at 195th st. At 8:15 the meeting will be thrown open to the public and Mr. Mühlenbruch will speak. Everyone is invited.

His firm has been tentatively designated as the one to prepare a land use map for the Mokena Frankfort area. The Mokena village board has given its approval of the program and those familiar with the project expect the Frankfort board to follow suit.

As a matter of fact, both boards had previously approved such a program but when it was discovered that no federal or state funds would be forthcoming to aid in the financing, the original plan was abandoned and a new one set up.

The new program will cost \$4,400 which is about half of what the original plan would have been. The lesser price is possible, it was said, because the new program will carry fewer details but the essential fundamentals will be retained. Maps will be printed in black and white instead of color and other economies effected to bring about a reduction in costs.

Land planning is not new. It has been followed in Europe for a long time and the same thing is true in various sections of the United States.

Heretofore, planning has been largely confined to large cities altho there has been some regional work along such lines. Some 25 years ago there was a general plan for the Chicago metropolitan area but necessarily it lacked detail and it could not be employed by the villages today.

The planning idea has now spread to the smaller communities because of the great migration of city dwellers to the suburbs, calling for an orderly growth if property values are to be maintained.

Orland Park Pastor Named State Chaplain of American Legion

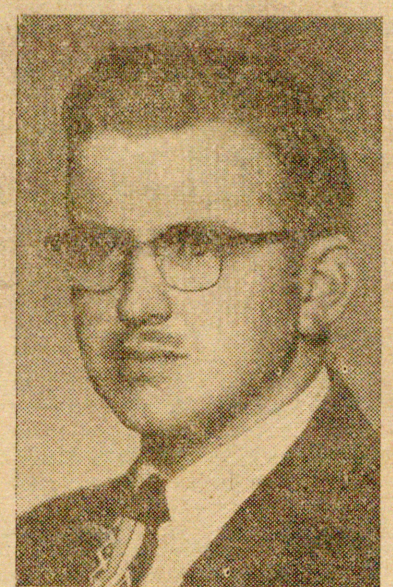

The Rev. R. L. Plastow, pastor of the First Methodist church at Orland Park, has been appointed chaplain for the Illinois department of the American Legion.

The appointment was made last Friday by State Legion Commander Al Keller, of Kankakee and the Rev. Mr. Plastow was inducted into office last weekend in Illinois headquarters of the American Legion at Bloomington. He also attended a two day session of the executive committee. This committee is made up of the department officers and the various district commanders and officers throughout the state.

The Rev. Mr. Plastow is a member of Orland Park Post No. 526 and conducted the dedication service for the new Legion hall there last July 4. The affair was marked by a parade and a fireworks display.

The new department chaplain is a veteran of four years service in the Air Force Chaplain's Corps as a welfare specialist, two years of which were spent in the Korean theatre. He is a past department

chaplain of the American Legion in South Dakota, where he

The Rev. R. L. Plastow also served as district chaplain in two districts.

The Rev. Mr. Plastow is now serving in his fourth year as pastor of the Orland Park church. He is married and has three children.

Plan Special Meetings at Baptist Church

Everyone is invited to attend a week of special meetings at the Park View Baptist church in Mokena, Oct. 5 thru 10. The meetings will be held on Sunday, Oct. 5 at 11 a.m. and 7 p.m. and each evening of the week at 7:30 p.m.

The speaker for these meetings will be Dr. Edgar Boss, professor of Old Testament at the Northern Baptist Theological Seminary in Chicago. He has had wide experience in the field of evangelism, the pastorate and in teaching. His messages will be centered in what the Bible has for present day living.

Special music talent will be present at every meeting from the local church and also other

Steal Jewelry Out Of Display Window

Two combination sets of wedding bands and diamond engagement rings were taken from the display window of the Wichman Jewelry store, some time between 9 a.m. and 6 p.m. on Aug. 30 when the store was open.

Each evening has a special designation. Sunday is church member day; Monday, children's night; Tuesday, women's night; Wednesday, men's night; Thursday, neighbors night; and Friday, family night. Of course, everyone is invited to attend every night of the week for a rich spiritual blessing.

Attendance at these meetings is not limited to the local congregation, but is open to anyone who is seeking God's way for their lives, regardless of his present religious faith.

Formerly of New Lenox, the Orville Hohensteins moved to Arkdale about 10 years ago. Friends and relatives are invited to the open house, starting at 2 p.m.

Blame Journal Failure for Freight Wreck

A journal failure on the 12th car back of the locomotive on a 40 car fast freight, east bound, on the Rock Island rail road last Friday morning caused it to leave the tracks near Midlothian and a moment later 25 more cars had followed.

The result was that more than a mile of main line tracks had to be replaced and traffic was stalled for 12 hours

The wreck occurred about 4:30 Friday morning and at 4:25 that afternoon a west bound suburban train left the LaSalle street station at Chicago for Joliet.

The Rock Island had two wreckers of their own on the job and a similar unit from the E. J. & E. railroad was brought to the scene from Joliet and put into use. The Co-wan Excavating Co. of Palos Park was also called in and supplied a fleet of giant "cats" that hauled the wrecked cars clear of the right of way where they could be opened and some of the contents salvaged.

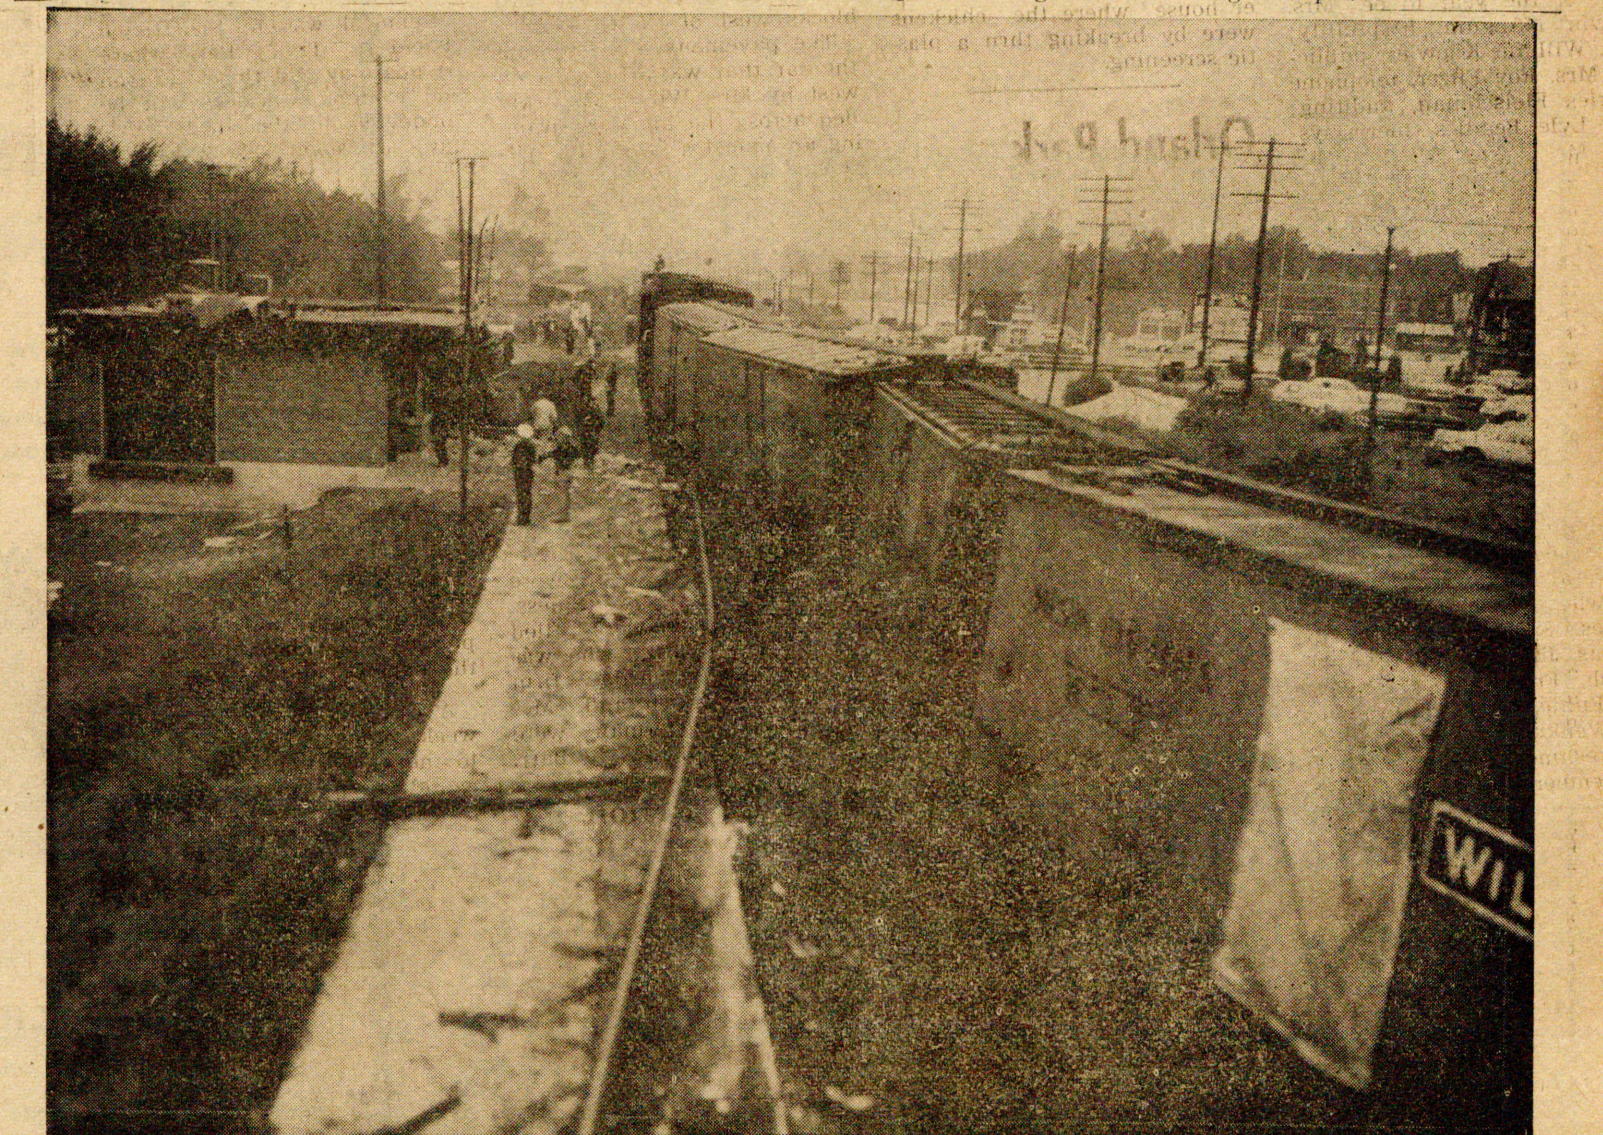

There were 35 loaded cars in the train, many of them refrigerators, carrying meats and fruit and produce. A fleet of refrigerated trucks was used in the salvaging operation.

One of the derailed cars slid thru a corner of the Midlothian station waiting room, practically wrecking the building. The train was reported traveling 60 miles an hour when the derailment occurred. No one was injured but had the incident occurred later when commuters would have been clustered at the station there probably would have been considerable loss of life. Some suburban trains from Joliet were taken into Chicago via the Santa Fe and buses were employed to serve other passengers.

Former New Lenox Couple to be Feted At Open House

Mr. and Mrs. Orville Hohenstein of Arkdale, Wis., will be honored on the occasion of their 25th wedding anniversary at an open house to be held Sunday, Sept. 28, in the home of Mr. and Mrs. Robert Hohenstein, 34 E. Bryant st., Mokena.

Formerly of New Lenox, the Orville Hohensteins moved to Arkdale about 10 years ago. Friends and relatives are invited to the open house, starting at 2 p.m.

AND NO ONE INJURED—that was the fortunate thing about the Rock Island freight wreck at Midlothian last Friday morning. Had there been commuters on the station platform at the time the cars piled up undoubtedly some would have been killed.

One car slid into the station waiting room, practically demolishing the building. Twenty six of the 30 cars in the train left the rails. (Marvin Smith photo) (Other pictures of the wreck may be found on an inside page.)

DOWNCAST PAIR - one of whom faces charges of burglary and the other as an accomplice, as they appeared in the Tinley Park police station before appearing in court. Left to right is Gordon Erskine, police officer; James Holes, 29, Paul Williams, 25, burglary suspects, both of Chicago, and Walter Barton, police officer. (Marvin Smith photo)

3rd Continuance Is Given Illegal Liquor Case

CNS—Hearings on charges of selling liquor to minors and the illegal purchase of liquor against an Oak Forest bartender and a Tinley Park youth have been continued for the third time.

Homewood Judge Harry A. Lambert Wednesday allowed a continuance to Sept. 24 at the request of defense attorneys who previously were granted another continuance.

The bartender is James F. Turner, 23, of 16023 Forest avenue, Oak Forest, charged with selling liquor to a minor, Michael R. Steffen, 19, of 661 Maple Lane drive, Tinley Park is charged with illegal purchase of liquor.

Youth Activity Program Starts Soon at Tinley

There will be more recreational facilities for the young people in Tinley Park when a program of activities being sponsored by the village, will be held in the public grade school.

Heading the program will be William Kostecki, who has been appointed village recreational director by Mayor Elmer Knudsen.

Plans for the program have not as yet been completed, but tentatively it will consist of a general sports program and gymnastics.

Kostecki, a teacher in the Central public school, and gym instructor, presents an outstanding student participation gymnastic program for the public annually.

Holy Name Men Hear Talk By Safety Expert

Walter Kleinman, a safety expert, was the guest speaker at the Sept. 15 meeting of the Holy Name Society of St. George parish, Tinley Park. He also showed a movie on farm safety and recited statistics on injuries in industry, farm and home.

Church pastor, the Rev. Thomas D. O'Connell, gave a brief but interesting talk on St. Peter.

A limited number of tickets will be sold for the Duke vs. Notre Dame game, it was announced. Anyone interested may purchase a ticket by calling John Logsdon at Kellogg 2-4822.

Presiding at the meeting was the newly elected president, Pat Lloyd.

Refreshments were served and games were played.

The idea behind the activity program is to provide facilities in the village to keep youngsters off the streets, according to Mayor Knudsen.

A summer program directed by Kostecki, held for the first time this year, proved very successful.

According to the New York Times, through June of this year the social security system had collected \$57 billion in payroll taxes and paid out \$37 billion in benefits. The system originally covered 26 million people; now it covers 74 million.

Ask \$42,500 as Result of Crash

A suit asking \$42,500 for personal injuries and property damage has been filed in the Will county circuit court against Mrs. Ruth Erickson, Richard Erickson and James Gray, all of Tinley Park, as a result of an automobile collision Nov. 3, 1956 on U. S. 6, in front of the home of Dr. Raymond F. Kennedy, in New Lenox township. The suit was filed in behalf of Mrs. Kennedy, and their son Richard.

Mrs. Kennedy is asking \$40,000 and \$2,500 is sought by Dr. Kennedy for injuries suffered by their son, a minor.

Mrs. Kennedy was driving her car out of her driveway when it was struck by the Erickson car, according to the suit. The Erickson car was driven by Gray.

Tinley Park Garden Club Begins 31st Season; Chairmen Are Named

The Tinley Park Garden Club's new group of officers took over the helm at the first meeting of the season on Sept. 18, as the club started its 31st year of operation. Many charter members are still sharing love of flowers and fellowship with members.

Mrs. Gervis Klepper, president, was hostess. She announced the following chairmen appointments: Mrs. Bob Memhard, program; Mrs. Edmund Moss, civic; Mrs. Agnes O'Neill, custodian; Mrs. R. J. Hug, recreation commission; Mrs. Henry Clark of Mokena, conservation; Mrs. Mae Panozzo, flower exchange; Mrs. Lillian Zawadzki, bird sanctuary, and Mrs. R. J. Hug, publicity.

Mrs. Memhard presented the program by reading about a kapok tree planted in Florida. She demonstrated how to make attractive inexpensive flower arrangements.

Reports made included the delivery of 600 magazines, a box of stockings, and some cards to Oak Forest hospital by Mrs. John Swisher, who will also accept Christmas or birthday cards in good condition to be taken to the hospital. She also requested members ready scrap books for the Christmas box.

The Garden club will sponsor an outdoor Christmas decorations contest, details of which will be announced later.

Couple Wed at Church Rites in Manhattan Now Living in Joliet

Palms, gladioli and a candleabra decorated the Evangelical United Brethren church in Manhattan for the marriage of Patricia Ann Hauert, daughter of Mrs. Lucille Hauert, of Elwood; and Roger Lee Bettenhausen, son of Mr. and Mrs. Fred Bettenhausen, of Manhattan, on Saturday, Sept. 6.

Taking part in the ceremony were Mrs. Mary Ann Morse and Beverly Hauert as candle lighters. Mrs. Clara Runty was the organist. The soloist, Miss Donna Morgan, sang "I Love You Truly" and "Because."

The bride was given in marriage by her uncle, Shirley Hauert of Kankakee.

She wore a floor length gown of Chantilly lace over satin, fashioned with a fitted bodice, long sleeves and a bouffant skirt with chapel length train. Her fingertip veil of illusion net was caught to a heart shaped crown of tiny ruffles. Her pearls were a gift of the groom. She carried a cascade bouquet of white carnations and ivy foliage.

The maid of honor, Miss Beverly Hauert, wore a light blue satin, street length gown with short sleeves.

The bridesmaid, Mrs. Mary Ann Morse, wore a gown identical to that of the maid of honor and a headpiece of net with a band of miniature flowers. She carried a cascade of carnations tinted blue.

Doreen Dee Hauert, sister of the bride, a flower girl, carried a basket of rose petals. She wore a full skirt, ice blue taffeta floor length dress and a headpiece of net and band of flowers.

Serving the groom were his brother, Donald Bettenhausen, of Phoenix, Ariz., as best man and Lodus Bettenhausen, cousin of the groom, as groomsmen. The ushers were Warren Hauert, brother of the bride; and Glenn Bettenhausen, brother of the groom.

The bride's mother wore a gown of navy embroidered taffeta with matching accessories. The bridegroom's mother wore a slate grey taffeta gown with matching accessories. Both wore a carnation corsage.

Grandmothers of the young couple who attended the wedding, were Mrs. Mae Schlater and Mrs. Adelia Hauert.

A reception for 350 guests was held in the American Legion hall in Manhattan fol-

3rd District Juniors IFWC Plan Projects

Projects and programs for the coming year will be discussed and planned when the fall board meeting of the Third District Juniors of the Illinois Federation of Women's Clubs comes to order at 8 p.m. Friday Sept. 26, Mrs. George Rohde, 13934 Edbrooke, Riverdale, Third District Junior Director, will preside.

Members of the Board are Mrs. Fred Bartz, associate director, Mrs. Robert Brennan, recording secretary, Mrs. Thomas Cafcas, treasurer, Mrs. Thomas Nissen, American Home; Mrs. George Ritsos, drama; Mrs. William Sedik, philanthropy.

Also Mrs. Lester Johnson, public affairs, Miss Muriel Wernicke, publicity, Mrs. LaVerne Orton, veterans service; and Mrs. Robert Carver, occupational therapy representative and the president of the Junior clubs in Third District. Mrs. Richard Brund, historian. The meeting will be held at the Ridge Park Fieldhouse, 96th and Longwood drive.

MARRIAGE LICENSE

County Clerk Edward J. Barrett issued a marriage license last week to Edward Heidenrich, Jr., 10631 S. Lawndale ave., Chicago, and Charlotte Ahnell, 7800 W. 143rd st., Orland Park.

Foreign car sales have increased 14 times in a few years. They accounted for one half of one per cent of new car registrations in 1954 and now account for more than 7 per cent.

Following the ceremony. Assisting at the reception were Mesdames Claire Hemphill, Walter Bridge, Lester Barten and Leo Murphy. Also, the Misses Donna Hauert, Lois Hemphill, Judy Barten and Neda Bridge.

The young couple spent a week visiting Niagara Falls, New York and Canada and now reside at 1900 S. Rowell, Joliet.

The bride has been employed at the Illinois Bell Telephone Company in Joliet, and the groom is employed at the Belling Engineering Consultants, Joliet.

League of Women Voters Present Film, "Equal Rights", Sept. 29

A movie, entitled "Equal Rights" will be shown at a general membership meeting of the Tinley Park League of Women Voters on Monday, Sept. 29. The meeting will be held at 8 p.m. in the Municipal building, 6823 W. 173rd pl.

The chairman of judicial reform committee, Mrs. Logan Ozburn, and the following members will present a program dealing with the "blue ballot": Mesdames Edward Baker, James Elliott, Voris Miller, William Owens, and William Kopp. A guest speaker will also talk on the subject of judicial reform. This change in judicial procedure will be voted on at the next general election in November.

The meeting is open to the general public and men and women will be interested to hear and observe the workings of the local league which now has official status after more than one year of operation on a provisional basis.

Membership in the league is open to any women interested in studying local, state and national items of interest. The league performs a great deal of valuable service in keeping voters informed on vital political issues besides getting out the vote. It is a non-political organization, whose chief aims are to become informed so they can relay their findings to the voters.

Mrs. John Rooney is president of the Tinley league.

Jo Anne Rizzuti Pledges Pi Phi at Millikin University

Miss Jo Anne Rizzuti of Tinley Park has been pledged by Pi Beta Phi, one of the four national sororities with chapters on the Millikin university campus at Decatur. Formal pledging ceremonies for the new Pi Beta Phi pledges were held Sept. 20.

Jo Anne is a 1958 graduate of Bremen high school, and is entering her freshman year at Millikin. She plans to major in business administration.

She is the daughter of Mr. and Mrs. James Rizzuti of 6650 West 167th st.

Tinley Members Attend State Dinner of VFW

The Veterans of Foreign Wars of the State of Illinois held their annual membership kickoff dinner at the Morrison hotel, Sept. 6. Those attending from the Tinley Park Bremen Post 2791, were: Commander and Mrs. Robert Enzenbacher, Sr. Vice Commander and Mrs. Harold Larimore, Auxiliary president, Mrs. M. S. Morrison and Sr. Vice President, Mrs. William Houle.

A regular meeting of the Auxiliary was held Sept. 16 with Mrs. M. S. Morrison presiding.

The cancer chairman, Mrs. Mike Haber, reported that she is selling Christmas cards again this year to finance the cancer program which includes donations to the Silver Cross Cancer Research hospital and to the National Cancer Foundation.

Mrs. L. D. Maxwell and Mrs. Peter Seeley were among the honored guests at a dinner given by the DuPage Memorial Auxiliary of Wheaton, Thursday evening, Sept. 18.

A speedy recovery is wished for Mrs. Mike Reedy who is hospitalized at Hazel Crest hospital.

The hostesses for the evening were Mrs. John Wojciechowski and Mrs. Alvin Miller who served refreshments on a beautiful and unusual table arrangement.

Silver Tea By Orland Woman's Club Nets \$31

The Silver Tea given by the Orland Park Woman's club at the Palos Community Center Foundation on Sept. 17, was attended by 72 members and guests.

The Tone Poets, an octet from Carl Sandburg High school sang several enjoyable selections under the direction of Mrs. Mary Pearson.

The Rev. Paul Sander of the Foundation gave a short, but interesting history of the famed Center, which was toured by the group.

Refreshments were served by Mrs. Karl Ekberg, Mrs. George Gee Jr., Mrs. Fred Blackstone and Mrs. Frank Buck.

The offering at the Tea, amounting to \$31.00, will be given to the Park Ridge School for Girls, of which Mrs. Sanders is club chairman.

Mrs. Ekberg, representing the Orland Park Woman's club, was one of 75 presidents and executive board members of the 3rd District, IFWC, who attended a luncheon on Sept. 19, at the Yacht club, honoring Mrs. Edward Durkee, president of the District.

Bremen Chalks Up Double Win Over L-W Sandburg and Reavis Teams Will Seek First Grid Wins Tomorrow

Braves Varsity Routs Hosts 35-14 While Frosh-Sophs Triumph 28-14

By BILL SLUIS
The Bremen Braves beat Lincoln-Way's Knights 35-14 in the opening conference football game for the two schools last Saturday. The game was played at Lincoln-Way.

The only time things looked right for the Knights was during the first quarter when they built up a 7-0 lead.

The first quarter opened with the Knights returning the kick-off to the Bremen 25. Lincoln-Way then moved the ball past the 35 yard line, but was forced to punt. The Braves fumbled the punt and Les Osborne recovered for L-W in the end zone for a touchdown. Bob Hughes ran over for the conversion and the Knights led 7-0.

On the second play of the second quarter Dennis Tattum clomped 25 yards for Bremen's first touchdown. They made the extra point to knot the score. Not content with tying it up, however, the Braves soon marched 75 yards for another TD. Highlight of the march was a 28-yard pass from quarterback John Mannacioni to Tattum. The play caused some controversy as some believed the ball had been trapped. The officials ruled the catch good and the Braves soon scored and converted to lead at the half 14-7.

The third quarter again opened with disaster for Lincoln-Way as Dick Nelson of Bremen ran 35 yards for another score. Bremen converted and led impressively—21-7. With the conversion the Braves led 28-7. The Knights came back with a 71-yard march featuring their passing stars Bob Hughes and Jim McGuire who turned the trick with the aid of Bob Lichtenwalter's sticky fingers and Al Plus' touchdown catch. Jim Hughes made the conversion to end the Knight's scoring. The score was then 28-14.

The fourth quarter showed Bremen in control once again as Dick Nelson ran 28 yards to score. With the conversion, the end result was Braves 35, Knights 14.

The frosh-soph had little fate than the varsity as they were downed 28-14. Bremen opened the game with a first quarter touchdown by Fred Cornish from the 9-yard line. The conversion made it 7-0.

Lincoln-Way came back in the second period to tie it up 7-7. Kruzich scored from four yards and Stanek made the extra point.

In the third quarter the roof caved in as Lincoln-Way was left behind by three Bremer touchdowns—one a sparkling 56-yard run by Phil Funstel. The Lincolns became enraged and chalked up a touchdown of their own, but the end result was Bremen 28, Lincoln-Way 14.

The Knights hope for better success against Rich Saturday at 2:00 p.m. The frosh-soph play begins at 12:30.

Here's Chance for Lincoln-Way Fans to "Meet the Knights"

By BILL SLUIS
Lots of people wonder what football players are really like—so these articles will introduce you to the players on the Lincoln-Way squads.

Jim McGuire, Lincoln-Way's left half-back is a 16-year-old junior. At 155 pounds he has played football for two years. When asked what his biggest thrill in football was, he replied, "Throwing that touchdown pass in Saturday's game with Lemont gave me my biggest thrill."

Bob Hughes, regular quarterback, is a smiling senior. He's 17, weighs 145, and said his favorite football play is the roll-out pass, altho naturally enough, he also likes quarterback sneaks. This is his fourth year playing football for the Knights and he plans to go to college next year.

Jim Gast, a seventeen year old senior, weighs 175 and plays left tackle. In his fourth year with the Knights he plays the part of "All American Teen-Ager". He commands high grades and is president of the Lincoln-Way Student Council—governing body of the students.

Al Plus is a seventeen year old senior. The big 180 pound right end is also in his fourth year of football. He goes along with Jim Hughes in selecting the roll-out pass play as his favorite. Pulling down a winning touchdown pass against Lemont was his greatest thrill. Also getting good grades he plans to go to college next year but doesn't know where at yet.

KEN YOUNG OF ORLAND PARK - will start at quarterback as the Valparaiso University Crusaders open their 1958 home season Saturday night against the Wildcats of Northern Michigan. The big junior letterman, 6-3, 205 pounds, who came to Valpo as a touted quarterback prospect from Luther High South, Chicago, went thru his sophomore season with a 47 percent pass completion mark. Young runs well enough to keep his opposition honest. In addition, he is outstanding on defense and is unquestionably one of the best defensive backs in the Indiana College Conference.

By RANDY JOHNSON
Bremen, Evergreen Park and Rich share the lead in the Southwest Suburban football race as a result of victories last week. This week-end Rich will be host to Lincoln-Way and Bremen travels to Oak Lawn while Evergreen Park is idle.

Attempting to get on the victory side of the ledger for the first time this season are Carl Sandburg and Reavis, both beaten in the first two outings of the season. Sand-

burg's Eagles dropped their season opener to Kankakee St. Patrick 20-19 and then fell 27-0 at the hands of Rich.

Reavis, the only team that did not see conference action last week, plays host to Sandburg, eager for a victory after suffering non-conference losses to Argo and Marmion Academy of Aurora.

In the non-conference game involving a Southwest Suburban school, Evergreen Park plays host to Mooseheart on

Friday. The Lincoln-Way-Rich game is the only Saturday battle.

With the first round of action in the sophomore end of the Southwest circuit completed, Carl Sandburg, Bremen and Oak Lawn share the lead.

Featured this week-end in the sophomore loop is the Reavis-Carl Sandburg clash. Reavis is the defending champion having beaten Sandburg out with a 6-0 record. Sandburg finished second with a 5-1 mark.

Specialist to Have Offices At Tinley Park

Dr. Mario A. Irigoyen, a specialist in obstetrics and gynecology, has become associated with Dr. J. L. Gonzalez at Tinley Park, with offices at 6785 West 174th st.

Dr. Irigoyen is 35 years old and obtained his M. D. degree at the University of Havana in 1948. He served his internship at Norwegian American hospital, Chicago. He had four years of post-graduate work in obstetrics and gynecology at Chicago Maternity Center,

nois Research and Educational

hospitals in Chicago and was senior resident at the nationally known Huntington Memorial hospital at Pasadena, Cal. He was a captain in the medical corps in the Korean War and also served as chief and consultant of the obstetrical and gynecological sections of Madigan Army hospital from 1953 to 1955. In the last named year he also was elected Fellow of the American College of Obstetricians and Gynecologists.

At present he is a member of the teaching staff of the University of Illinois college of medicine in his field.

Dr. Irigoyen is married to the former Mita VanHassent of Chicago and they are the parents of twin boys and a girl.

MR. and MRS. FRED STORY

Fred P. Storys Will Celebrate 60th Wedding Anniversary Oct. 2

Mr. and Mrs. Fred P. Story, a couple well known in the New Lenox area, will celebrate their Diamond wedding anniversary, the 60th, next Thursday, Oct. 2.

The Storys live on Lincoln highway on what is a part of the Higinbotham estate, in the same house into which they moved when they came here in 1893.

Mr. Story was born in London England, July 18, 1873. His father was a judge. Altho Fred Story has been an avid reader all his life and can quote long passages of poetry, Shakespeare and other prose classicists, he has always preferred the outdoors and so while a young man came to Canada where in addition to more prosaic studies he learned the cattle business.

On one of his trips to the United States he met Clare McKinney at Kirksville, Mo. and they were married there in 1898. They came to Joliet the same year and Mr. Story became superintendent of the Higinbotham estate. In the early years they raised purebred Jersey cattle and showed them at fairs and expositions in various parts of the world. Mr. Story made several trips to England and to the Isle of Jersey to buy exceptional animals to improve the Higinbotham herd.

Mokena

Recording Artists to Appear At Band Booster Dance Nov. 15

The Mokena Band Boosters are planning a dance to be held in the grade school gym on Nov. 15, it was announced at the regular meeting of the group last week.

"Magic in Music" will be the theme and guest recording artists will be invited to appear. The dance is open to the public.

Teenagers will be especially interested to know that the popular recording artists will have on hand a supply of autographed records which may be purchased.

Perry Friedman, the Mokena and Frankfort grade schools band director, has also made a recording, the music for which was written by him. His record will also be available for purchase.

The Mokena Teen Tones will supply the music. Refreshments will be served.

Mrs. Florence Pitman left last Friday to visit her daughter Mrs. Patricia Smith and children at Miami, Fla. She will be gone a few weeks.

Mrs. Henry Noodwang, south Wolf road, attended the funeral Wednesday of her brother Cornelius Boekeloo who died in Hines hospital Sunday. He had been a patient in the hospital for seven years, having served in World War I.

Pvt. Richard J. Arnold, husband of Mary and son of Mr. and Mrs. Joseph L. Arnold, recently completed an eight week automotive maintenance course at Ft. Chaffee, Ark.

Mr. and Mrs. Bernard Benson are on a motor vacation trip to the eastern states. Their son Robert contacted them Tuesday to tell them of the sudden death of his brother Earl J. Benson who died of a heart attack Sunday in his home, 1110 E. Jackson st., Joliet. After funeral services in Joliet Wednesday, the body was taken to Princeton, Ky., for burial. Mr. and Mrs. Bernard Benson were able to arrive at Princeton in time for the graveside services. The deceased was a veteran of

Both Mr. and Mrs. Story have been members of various Masonic organizations for more than 50 years. Mr. Story is a past high priest of Joliet Chapter, Royal Arch Masons, a past illustrious master of Joliet Council, Royal and Select Masons; was president of the board of directors of the Masonic Temple for several years and for a long period was in charge of the Order of Boy Builders.

Mrs. Story is a past worthy matron of Marguerite chapter, Order of the Eastern Star, past worthy high priestess of Bethlehem Shrine, White Shrine of Jerusalem and has been a member of the advisory board of Silver Cross hospital for more than 50 years.

She also has been active in the affairs of St. John Universalist church of Joliet, where both have been members for the past 55 years.

They have one daughter, Viola, Mrs. Leo McGinnis, of Joliet, one granddaughter, Mrs. William M. Kalden, of E. I. Dorado, Ark., and three great grandchildren.

They do not plan any public celebration of their anniversary but will greet some of their close friends and undoubtedly will receive scores of congratulatory messages.

Mr. and Mrs. William Bradley and daughter have moved to the home of her parents, Mr. and Mrs. John G. Bettenhausen, east of Mokena.

Mrs. Alma Brown has been appointed chairman for Mokena for the County Blue Cross and Blue Shield drive, which will be from Oct. 6 thru the 17th. Anyone interested, who is not contacted are asked to please call Mrs. Brown at New Lenox 8514, evenings preferably.

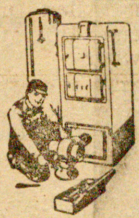

Mrs. William Hecht returned Tuesday from Silver Cross hospital where she had been a medical patient for a few days.

First Annual Dance Of St. Boniface Being Held Sat.

The St. Boniface Episcopal Mission will hold its first annual dance Saturday, Sept. 27 in the American Legion hall, Tinley Park.

Mrs. Elmer Knudsen, chairman of the dance committee, announces the Rhythm Makers a popular local group, have been engaged to provide the music.

Tickets may be obtained from any member of the committee.

4-H NEWS

HELPING HAND

The Helping Hands 4H club started their first meeting after summer vacation with a report from Betty Rich who was chosen to go to the State Fair for flower arrangements.

The 10 members who went to Camp Shaw waw nas see reported on what they thought was most interesting.

The year's program was discussed. There are quite a few new members this year which makes the club quite big.

Most of the mothers came to sign up their daughters.

We elected Sharon Anast, president; Dorothy Stelter, vice president; Nick Schullen, secretary; Diane Ziska, treas-

PTA News

ARBOR PARK

The 17 members of the faculty at Arbor Park school were introduced to parents at the PTA meeting Sept. 18, by the school superintendent, Mrs. Verna Morton. Parents present also were recognized.

Several PTA projects were discussed, such as hot dog luncheons for the pupils twice a month and the annual Fall Festival to be held Oct. 18.

R. J. Van Horn spoke on school safety, especially with regard to children on their way to and from school. There are approximately 500 children attending the school.

Refreshments were served following the business meeting.

Melody Benson, reporter and Evelyn Stokes, telephone chairman. Refreshments were served.

Lincoln-Way Band Boosters Plan Annual Fall Dance on Sept. 27

BY DOLORES ANDERSON
New Lenox 3651

The Lincoln-Way high school Band Boosters will sponsor their annual Fall dance to be held in the high school gymnasium, Saturday, Sept. 27. The dance, appropriately called "School Daze", will be held from 9 to 12 P.M. The proceeds will be used to purchase additional band equipment. Tickets may be obtained in advance from any band member or at the door, the night of the dance. It is hoped that all friends in the Lincoln-Way high school communities will attend.

The Good will truck will be in New Lenox about every week, either Tuesday or Wednesday. For pick up service, call Joliet 2-5189, or bring articles to the Glenn Vally residence, at 630 No. Cooper road before Monday.

Cub Scout Pack 8 will hold their round up and pot luck supper this evening at 6:30 in the dining hall in the camp grounds. Theme for the Cubs this month is "Cub Scout Coral".

The New Lenox Riding club met Sunday at the 4-H grounds on Francis road, for a 10:30 brunch and meeting. Twenty three members and five guests attended and enjoyed the brunch served by Carl Robinson, Mrs. Weber, Clyde Floyd and Russell Daugherty. Plans were discussed for building of the new ring for the gymkhana Saturday Sept. 27.

All members who can help are asked to meet at the grounds at 12 noon.

The infant daughter of Mr. and Mrs. Edward Triem, Deborah Sue, died at Silver Cross hospital, Joliet, on Saturday, Sept. 20, where she was born on Aug. 31. Funeral services were held Monday at the West End Funeral Home in Chicago Heights with the Rev. Erich Bizer officiating. Burial was in St. Paul's cemetery, Monee. Besides her parents, she is survived by a brother, Ronald Edward, grandparents, Mr. and Mrs. Elmer Triem, and Mr. and Mrs. William Kasper of Mokena.

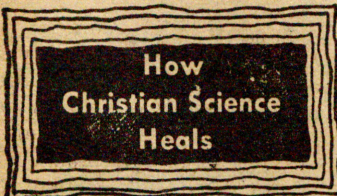

The first Child Study group met in the home of Mrs. Paul Crook with Mrs. David Denis as co-hostess. A pot luck supper was served, followed by the business meeting at which the following new officers were elected: Mrs. Paul Crook, president; Mrs. Donald Seivert, secretary-treasurer; Mrs. Ronald Vondrasek and Mrs. William Howard, co-program chairman; and Mrs. Ronald Crisman, publicity. The next meeting will be held in the home of Mrs. Ralph Swanson, Oct. 21.

The September meeting of The general WSCS of the Methodist church was held in the Fellowship hall of the church. Devotions were led by Mrs. George Preston, and the speaker the Rev. Alfred Hunter Host

Letter to the Editor

SCHOOL BUSES
To The Motoring Public
% The Editor:

I am a parent, teacher and a school bus driver. I have the responsibility to deliver your children safely to school and then back home in the evening. I have seen so many thoughtless, careless and almost criminal violations of Section 99 of the Illinois Code pertaining to Motor Vehicles. Before your child or mine gets killed, I would like to call your attention once again to this law.

The law states that it is unlawful to pass from either direction any school bus that has stopped to either load or unload passengers. Today's motoring public seem to have the idea that the driver of the bus MUST have the blinkers on and the "stop" arm out before this law is in effect. Nothing could be more erroneous. The flashers, and the "stop" arm are simply a means of warning to the motorist that the bus is about to stop. The motorist, once he has stopped, should not attempt to go until the flashers have stopped blinking and the "stop" arm has been pulled in. Motorists apprehended for this violation have the usual remark, "I did not know I had to stop unless the flashers are on and the 'stop' arm out."

Needless to say that unless you, the motoring public, want your personal motoring pleasure altered, a closer adherence to this law is a must. One careless chance to gain a second. AND you have hit a child, run a stopped bus, or because of the sudden realization of this violation, hit another automobile. To insure against this sort of mishap on your part a more attentive mind to the business of driving between the hours of 7:00 and 8:30 a.m. and 3:00 and 4:00 p.m. is imperative.

Sincerely yours,
Kenneth Kinney,
A Concerned Parent, Teacher,
Bus Driver, Motorist.

Plan Subdivision For 500 Homes At Orland Park

The Dover Company of Cleveland, Ohio have plans for a housing development to be located south of the present village limits of Orland Park. They have acquired 190 acres of land on 151st and 153rd sts. west of U. S. Highway 45, which presumably they will request be annexed to the village.

The subdivision is being planned for about 500 homes and is situated close to the Orland Park Hills subdivision which contains between 500 and 600 homes.

A plat of the subdivision, showing location of streets will be submitted to the plan commission.

Chest X-Ray Mobile Unit to Visit Tinley

Residents of Tinley Park and the surrounding area can have free chest x-rays at the mobile unit of the Tuberculosis Institute on Monday, Sept. 29. The unit will be parked by the National Tea Store, 17010 S. Oak Park ave., between 1:30 and 8:30 pm. that day.

"Shortage of personnel prevents the units from appearing in all towns that should be covered, but we'll be happy to accommodate as many as possible in Tinley Park," reported Donald M. Hollingshead chairman of the committee handling the project for the Lions club.

Wives of Lions and members of the Woman's club who will assist in handling the paperwork are: Mesdames William Kopp, George Keuch, Voris Miller, I. B. Johnson, Kermit Mattson, Kenneth Schmudde, Clem Gaudie, Donald Hollingshead, Arthur Blue, Walter Pierke, Robert Rawson and Elmer Knudsen.

All over 15 years of age, and particularly those 45 years and older are urged to have X-rays made.

Officials of the Institute point out that it takes about two weeks to receive the report. Findings are not made public.

by a grand daughter and great grand daughter of the patient. The aged patient has been hospitalized for the past year. She is totally blind and quite frail, according to hospital authorities who are arranging the party.

Invite Others To Join Sky Diving Group

This sky diver appears like a puppet on a string as viewed by the lens of the camera. He is a member of the Midwest Sky Diving group which recently formed in the area. These sky divers may be seen parachuting from planes Saturdays or Sundays on their practice field, located south of U. S. Route 30 on Highway 54, about 3/4 mile south of Governor's airport.

A comparatively new type of parachute which has a blank gore is used. This blank gore appears on the right side of the parachute (in the picture) and enables the jumper to have greater control.

What they strive for is precision landing within a prescribed area. This picture was taken

ken at an exhibition Sunday when the delay between exit from the aircraft and activating the chute ranged from 4 to 10 seconds, at approximately 2,000 feet. The group is accepting application for membership. Prior experience in parachuting is not required as proper equipment to train novice jumpers is available. Membership is open to men and women. The only requirement is that the applicant be in sound physical condition.

The president of the recently organized group is Frank Owsianke, a student at De Kalb university. The vice president is Larry Fahey, 5737 S. University ave., Chicago, who attends the University of Chicago. Another member is Don Morrow, 479 Dogwood, Park Forest. Any of these men may be contacted by anyone interested or a visit may be made to the practice field while they are in operation.

Foreign car sales have increased 14 times in a few years. They accounted for one half of one per cent of new car registrations in 1954—and now account for more than 7 per cent.

Fudge Pie—Something to Talk About

This glamorous fudge pie will delight the clever hostesses who like to introduce at least one "conversation piece" into every party meal. The difference between this and the ordinary chocolate pie is in the consistency of the filling. Almost like the texture of a cake, this chocolate filling puffs up high and light as its whipped cream garnish.

FUDGE PIE

1/2 cup butter
1 cup sugar
1 teaspoon vanilla
2 egg yolks
2 squares unsweetened chocolate, melted

1/2 cup sifted flour
2 egg whites
1/2 teaspoon salt
1 unbaked 9-inch pie shell
Sweetened whipped cream
2 tablespoons chopped pecans

Cream butter, add sugar gradually, and cream together until light and fluffy. Add vanilla and blend. Add egg yolks, one at a time, beating well after each addition. Add melted chocolate and mix well. Then add flour and blend.

Beat egg whites with salt until stiff, but not dry. Fold in chocolate mixture. Pour into unbaked pie shell. Bake in moderate oven (375°F.) 30 minutes, or until pie is completely puffed across top. Cool. Spread with whipped cream and sprinkle with pecans.

30 Brownies To Participate In Fly-Up Rites

Approximately 30 Brownies will repeat a Girl Scout law on each of ten stepping stones as they fly-up to Intermediate Scouts Saturday afternoon, Sept. 27, in Memorial park, Tinley Park.

The ceremony will begin at 2:30 p.m. with Mrs. Florence VerWay, neighborhood chairman, in charge.

Each Brownie is planned with a pair of wings, after which they repeat the 10 laws of Scouting and are welcomed into the new Intermediate troop.

There are 18 Girl Scout troops in Tinley Park; 10 Brownie troops, 7 Intermediate and one Senior.

Trustees Get Monthly Report From Treasurer

A new procedure which facilitates handling of village funds was recently instigated in Tinley Park, whereby the treasurer, Joe Diamond, prepares a monthly report of disbursements for distribution to trustees on the village board.

This system of setting up a separate monthly report was made at the suggestion of Mayor Elmer Knudsen, so that trustees could more easily determine how much has been spent in separate funds to date and how much money is available in the budget for expenditure.

In the month of August an amount of \$29,554.57 in village receipts was deposited in the Bremen State Bank. Sources of the revenue were business licenses, dog licenses, building permits, taxes, police magistrate fines, and municipal sales tax.

Mayor Knudsen has re-appointed Joe Diamond as village treasurer from Sept. 15, 1958 to April 30, 1959.

Editorials

Land Planning A Must

The Mokena Lions are performing a public service in bringing Carl Muhlenbruch to the community next Thursday night.

He is the head of Educational Technical Consultants, engineers and city planners of Evanston, The Mokena village board voted last week to join with Frankfort and retain this firm to prepare a land use map and zoning, subdivision and building codes for the area.

The Frankfort Village board has yet to take formal action on the proposal. It is expected Frankfort will concur in the action taken by Mokena. It is to be hoped that it will, because this area has an opportunity that most lack, and shouldn't lose it.

The area is growing but there is still time to direct this growth. Hit and miss methods of developing communities have unsightly as well as inefficient results.

Joliet is now spending around \$70,000 on city planning, a step it has been talking about for a dozen years or more, but it will not erase the hodge-podge resulting from the long period of unorganized development. The city of Joliet is putting up most of the money to finance the project but it is also receiving substantial aid from the grade and high school boards, the township and the county as all taxing bodies, as well as the people—residents and business—will benefit from an intelligent use of the area.

There are few persons indeed who have a real interest in a community that oppose proper planning of its lands and resources. Ninety-nine per cent of the opposition to city planning comes from individuals or companies who stand to make more money if permitted

to buy, sell or build without regard to public interest or community welfare.

Greedy land speculators who are out for a quick killing are quick to take advantage in growing localities that are without a master plan, and ordinances covering zoning, building and the development of subdivisions.

There are some who say they are against any land use program because its only purpose is to bring factories to the area.

That is not true. The purpose of planning is to so divide an area that business, residential and industrial sections will not intrude upon the other but are so arranged that they best perform the role for which they are intended. The ideal components for making up a community, the planners say, is to have 60 per cent of it residential, 20 per cent business and 20 per cent industrial.

But to get back to the question of bringing factories to the area, it is the hope of most of us that we can. Any industry coming here would be of the type known as "light" because of the very nature of the location. We need industry. Some of the North Shore suburbs that formerly banned industry and even soft pedaled business to preserve and emphasize their residential character, would like to have some factories now but there is no land left for the purpose.

Tax increases brought about by more schools and demands for more governmental services have become such a burden to home and farm owners that unless they get some industrial firms to help carry the load they just can't afford to live in the suburbs.

On Second Thot

By
GLENN F. LOGAN

Jeff Throckmoran is gaining weight but figures he is only following doctor's orders. He told me, "Jeff remarked as he reached for a second helping of cream pie,"

Those Moscow Commie propagandists are working all the time. Last week they made a bid for the support of music lovers of the western world thru a story that made Page 1 in many metropolitan papers in this country. The Reds arrested a crooner star of Soviet TV and radio.

Clem Makeblotto, who has just returned from a trip thru Kentucky and Tennessee hills says a gourd dipper is all right for size but gives an odd taste to the whisky.

He may be beaming his next broadcasts directly at Alaska—by megaphone.

A gourdful, he points out, is equivalent to a skunkful.

Right now Clem is working on a project that should be a boon to freeloaders. He is figuring out a way to put handles on a Hubbard squash after hollowing it out and curing the rind. It is especially designed for two-fisted drinkers.

And speaking of drinkers—two or three fisted—reminds me of a story my Grandfather Logan used to tell, dating back to early days in his native state of Kentucky. In those days a trip to town was an event.

Transportation was hard and Transportaion was difficult and operating visits a farm with the prevailing tools and methods kept one busy from sunup to lantern light. Besides people were, mostly mainly self supporting, and made trips to town only when they wanted to barter or sell some of their products so they could buy some of the things they could not make or grow.

Weeks or even months might elapse between visits to town so those who made the most of it. Those who liked the conviviality sired by a few drams in pleasant company wound up their stay in the tavern.

A member of the drinking set who could always be relied upon to do more than his share was one Johnny Watkins. When Johnny came to town he first saw to it that his transport was safely put away and cared for, attended to his purchases and then got down to serious drinking.

On the occasion on which this ale is hung Johnny tarried with the bottle so long that he finally passed out. There he was, stiffer than a rusty hinge. His companions, still able to navigate, decided to play a practical joke.

They rumbled John's wagon

out in the middle of the road headed out of town and poured him in. The motive power was left in a public bar. John slumbered on until the sunlight woke him up. He looked around, then quickly shut his eyes, counted 10, and opened his eyes again. The situation was unchanged.

Clambering to his feet he stared about him intently, shrugged philosophically and then announced for any to hear:

"If my name is Johnny Watkins, I've lost a yoke of oxen, if it hain't—I've found a cart."

Rich High School to Open First Class for Handicapped Children

The first class for the educable mentally handicapped of high school age to be held in this area, is expected to open at Rich High school in Park Forest in about six weeks.

School Superintendent, Robert Andre and the administration of the school, are to be commended on their attitude that every child, regardless of handicap, deserves and shall receive at Rich High school, an education to the fullest extent of his capacity.

Arrangements are being made for the psychological testing of students. This is a state requirement before classes for the mentally handicapped can be held in public schools.

The program planned at Rich is being designed to meet the needs of the educable youngster. The curriculum will be flexible in so far as it is necessary to provide different educational experiences for each individual student.

The program falls in two categories, the development of skills in tool subjects, reading, writing, arithmetic, and spelling, and experiences in the area of living, home building, occupational education, social relationships, physical and mental health.

One of the features of the program is to arrange classwork so that during the last year the student is able to obtain practical experience.

He describes the EMH youngster as "one who is diagnosed as having low intelligence, who is unable to profit sufficiently from the regular curriculum of the public schools, but who can be educated to become socially adequate and occupationally competent, provided special educational facilities are furnished."

At the meeting of the Council for Handicapped Children Friday night, Joseph Carmon of Park Forest was elected vice president.

Homer

Ida Harrington, 68, Dies After Long Illness at Home of Niece

By ELIZABETH E. ANDERSON
Lockport 886W2

Funeral services for Miss Ida Harrington of Lockport, were held Sept. 17 from the Clarence Miller funeral home to St. Dennis church, Lockport. Miss Harrington died Sept. 14 in the home of her niece, Mrs. Dolores De-Barbera of Lockport township following a long illness.

Born in Homer township 68 years ago, she lived here until her family retired from farming several years ago. Since that time she had lived in Lockport.

Miss Harrington was a member of the Altar and Rosary society and Guerin Alumnae club of St. Dennis church, also the Good Luck camp of Royal Neighbors. For many years she was active in the Homer Woman's club and at one time taught in local schools.

Besides her niece, Mrs. De-Barbera, she is survived by a sister, Mrs. Mae Doctor of Mokena, two brothers, John and Michael of Lockport, a niece Mrs. Lucille Uthe of Orland, and one nephew, Donald Doctor of Mokena.

The Wayside Workers circle of the Kings Daughters will meet at Homer church Thursday, Oct. 2, at 1:30 pm. with Mrs. Reed Burch and Mrs. Ira Anderson as hostesses.

Jerome Paddock and John Hollister were dinner guests of the Rev. John Reynolds in Chicago Sunday evening.

The Couples' club of Homer church met for a picnic dinner at the Otto Moravec home Friday evening.

The Pilgrim Fellowship resumed activities with their first meeting of the season being held Sunday, Sept. 21 at 7 o'clock at the church. All teen age people are welcome. Mr. and Mrs. Hanson are sponsors.

Mr. and Mrs. Everett Holm have returned from a pleasant motor trip thru the northwest. Their route included Minnesota, the Dakotas, Utah, Colorado and Yellowstone Park.

At the short business meeting in the Homer church last Sunday morning, the name suggested by the park committee was approved and the new property will be known as Homer Congregational Park.

The congregation also ap-

50 Guests Honor Marilyn Guern At Miscellaneous Bridal Shower

By VIRGINIA SASS
New Lenox 3133

A miscellaneous bridal shower was given in honor of Miss Marilyn Guern of Rockdale at the home of Mrs. Everett Bell in Marlev Sunday afternoon. About 30 guests were present. The bride elect was assisted in opening her gifts by her bridesmaids, Miss Mary Ann Kirinich, Miss Mary Ann Kovaleik and Miss Mary Ann Pellegrini. The hostesses Mrs. Laura Larson and Mrs. Alice Harmer, served refreshments from a lace covered table centered with styro foam umbrella decorated in white and rust.

Miss Guern will become the bride of Robert E. Bell, son of Mr. and Mrs. Everett Bell of Marlev Oct. 11 at two o'clock in St. Joseph's church in Rock-

dale. The reception will be held from 7 to 11 o'clock in the Young American's club, 553 Scott st., Joliet.

Mr. and Mrs. Arthur Warzyn of South Milwaukee, Wis., were guests last week of Miss Helen and Miss Caroline Tilsy.

Mr. and Mrs. James Frazer spent Sunday with Mr. and Mrs. Henry Smith and family near Minooka.

Mr. and Mrs. L. D. Killinger of Joliet were guests Sunday afternoon of Mrs. Adella Sproat.

Mr. and Mrs. Charles Elliott attended their Canasta club at the A. C. Johnson home in Chicago Saturday evening.

Miss Helen and Miss Caroline Tilsy and their guests Mr. and Mrs. Ar-

thur Warzyn of South Milwaukee, were visitors Saturday in the Arthur Hill home in Beverly Hills. Saturday evening they were dinner guests of the Amil Doctors near Orland Park.

Sunday, Sept. 28 will be Rally day at the Marlev church. This special service will be held during the Sunday school hour from 9:30 until 10:30 a.m. Children will be promoted to other classes at this time. Morning worship will begin at 10:30 a.m.

Mrs. Robert Melver of Joliet was a guest Sunday of Mr. and Mrs. Charles Elliott.

Mr. and Mrs. Robert Sproat and family moved into their new home on Maple road Friday.

Mr. and Mrs. John Hasibar and family moved into their new home on Bruce road Sunday.

JOHNSON NURSERY

Route 30 — New Lenox 8251 — New Lenox, Ill.

This TOO is Texas Eastern

Shipping petroleum products from Gulf Coast to Midwest

The Little Big Inch Division of Texas Eastern is a common-carrier of petroleum products. Its 1800-mile system links Gulf Coast, Ark-La-Tex and Mid-Continent refineries with steadily growing markets in 13 states.

Refined petroleum products, such as aviation and motor gasoline... jet and tractor fuels... heating and burner oils and liquefied butane and propane, move through the line from points as far south as Sweeney, Baytown and Beaumont, Texas, to points as far north as Chicago and as far east as Lebanon, Ohio.

The completion, last month, of the 1,100,000-barrel terminal at Lebanon, Ohio, marked the ninth storage point placed into service along the Little Big Inch since its conversion from the transportation of natural gas. The system now provides storage capacity of more than ten million barrels: 6,100,000 barrels owned by Texas Eastern and

approximately 4,000,000 by shippers. In addition, the system has access to nine terminals in the Chicago area.

To further expand the service and capacity of the system, the Little Big Inch Division is mining the first of several caverns at Todhunter Terminal south of Middletown, Ohio. Mined out of solid rock 350 feet below the surface, the caverns will store LPGas for distribution throughout Southern Ohio and neighboring areas. The capacity of the initial cavern will be 150,000 barrels.

The Little Big Inch Division gives added versatility to Texas Eastern's operations. Its common-carrier pipeline system, one of the nation's largest, provides a dependable, economical means of delivering clean petroleum products—in surplus in the Southwest—to the Midwest where the demand for these products is increasing from year to year.

Tinley Park

Trinity PTA to Affiliate With National Lutheran Organization

The Parent Teacher association of Trinity Lutheran school, 159th and Oak Park ave., at Sept. 12, voted to affiliate with its first meeting on Friday, the National Lutheran Parent-Teacher league.

The officers are Mrs. Bernard Henke, president; Edwin Manzke, vice president; Mrs. Christopher Sherman, secretary; and Mrs. Herman Klann, treasurer.

The various committee appointments are: education, Elwood Wilkinson (films) and Mrs. Ralph Dan (topics); service and health, Mrs. Wilbert Manzke; social, Wilfred Schwandt; refreshments, Mrs. Edwin Manzke and attendance and publicity, Mrs. George Flett.

In the first topic of the season, the Rev. Carl Hoeh stressed the importance of cooperation between the family, the school and church. In all phases, "My Church, My School, My Family," are in a partnership and must work together, he said. When they do not cooperate, it is a loss to all members and the world at large.

A family picnic is being held Sunday, Sept. 21, on the grounds of the Kosary Rest Home, to enable parents to become acquainted with the new faculty.

Theodore Wichmann, acting principal, is the teacher of grades 7 and 8; Carl Moser teaches grades 4, 5 and 6 and Mrs. Henry Meier, grades 1, 2 and 3.

Mr. and Mrs. Dick Swisher entertained Sunday at dinner to honor her mother, Mrs. Carl Funk on her 85th birthday. Guests were members of the Funk family.

Among many former members of the St. George church attending the annual picnic Sunday, Sept. 14 were Mr. and Mrs. John Schumacher and their five children who now live in Chicago.

Donald C. Unzicker, son of Mr. and Mrs. John R. Unzicker of 18045 Harlem ave., has been appointed flag bearer of his recruit company at Great Lakes Naval training center. Paul Smothers was an over-

night patient at Hazel Crest hospital Saturday due to severe acid burns.

Corp. Don Mullins is home on a 30 day leave, having been stationed in Lebanon during the recent crisis. Mrs. Mullins has been staying with her parents, the Walter Macdowell family during her husband's absence.

Henry Bettenhausen and his son Robert have returned from a Canadian fishing trip. The weather was most uncooperative and fishing wasn't very good.

Mrs. John Swisher was hostess at a luncheon for the past presidents of the American Legion Auxiliary Unit 615 last Tuesday. Special guest was Mrs. Carmelita Bellante of Englewood, Calif., who has been visiting here with her son John and family.

Mr. and Mrs. Fred Nitsche attended the Fernwood Park Masonic picnic at Tinley creek woods Saturday.

Dallas Webster and Henry Clark Jr. of Mokena motored to Aurora Saturday to attend the DeMolay Northern Jurisdictional meeting.

The Henry Nolte family enjoyed a family reunion picnic at Crown Point, Ind., Sunday.

Sacred Heart high school located near Frankfort, has formed a mother's club. Those who attended a recent meeting from this area are: Mesdames D. F. Hattendorf, John Wojciechowski, LeRoy Richardson J. D. Pieper, John Milles, and John Dotts, Frank Miller. This is a girls school

and extra social affairs are planned by the Mother's club.

Mr. and Mrs. Roger Bratts-tron entertained dinner guests Friday evening in honor of the birthday of her father, George Zobac. Guests were from Chicago and Tinley Park.

Mr. and Mrs. Frank Tyrolt have returned from a two week vacation at Big Bay, Mich.

Mr. and Mrs. Lloyd Pieroni and daughter Kathleen were Sunday guests of Mr. and Mrs. Charles Schara.

Mr. and Mrs. P. L. Jochum and daughter Lorelei were Saturday night supper guests of Mr. and Mrs. James Doherty of Harlem ave.

Mr. and Mrs. Julius Osberg and Mrs. Harriet Wagner attended the Wayfarer meeting in Mokena Saturday evening.

Members and guests of Methodist Youth Fellowship enjoyed a hay ride Saturday evening which concluded with refreshments at the home of Mr. and Mrs. William Libbert and daughter Barbara.

The John N. Kramer family former Tinley residents, are now living at 203 S. Carico Globe, Ariz., and like their new home.

The Willow Lane, Forestview club will meet Wednesday, Oct. 1 in the home of Mrs. Warren Ecklund, 16852 Willow Lane drive.

Houseguests in the Louis E. Welsh home are Mr. and Mrs. George Harrison and daughter Beth Ann of Nevada, Calif. Sunday they visited with a brother and family, Mr. and Mrs. William Krueger of Oak Lawn.

The Warren Ecklund family will attend the wedding of his niece, Charlene Johnson to Thomas F. Hurt of Chicago in the Jefferson Park Lutheran church Saturday. The reception will be held at the Ridge hotel in Evanston.

Mr. and Mrs. William Freiberger formerly of 171st st.,

are now located at 415 S. Chestnut st., Westfield, N. J. Word has been received that the children are rather lonesome, and would appreciate hearing from their friends.

Mr. and Mrs. William Mager have as their house guests, his uncle Art Horp from San Francisco, Calif. He is 72 years young and made the trip by plane, declaring this is the only way to travel.

The sixth grade students of the Central Public school, accompanied by their teacher, Mrs. William Schellhase, and room mothers, Mrs. Earl Cavanaugh and Mrs. William Walenbecker, enjoyed a field trip to the Natural Museum of History Wednesday.

John Jankauskas, who was injured recently in an automobile accident, is now home from the hospital. The injuries of a crushed chest and 11 rib fractures, are seriously aggravated by an attack of flu.

Mr. and Mrs. E. Brown Campbell are receiving congratulations as grandparents. Mr. and Mrs. Brown Campbell Jr. of Royal Oaks, Mich., are recent parents of a daughter named Heather.

The annual Cole Marionette show, sponsored by the Methodist Woman's Society of Christian Service, will be held in the Central school, Friday, September 26 at 8 pm. The presentation will be "Jack and the Beanstalk."

Mission Guild

Zion Mission Guild met Monday evening Sept. 15 in the parish hall with Mrs. Ben Deck conducting the business meeting. Mrs. Robert Suhs was appointed chairman of the dinner for the ladies anniversary banquet.

Mrs. James Sundeen gave a summary on Thank offering, and announced that the Thank offering boxes would be brought in October. Election of officers will take place at the next meeting.

Mrs. Raymond Weber was a guest, and Mrs. Norman Patterson was received as a new member. Refreshments were served by Mrs. Dick Swisher and Mrs. William Wright.

—Mrs. H. Peterson, publicity.

Cancer Group Allots Funds to Carry on Fight

Grants to further the cancer control program in Illinois have been made for \$413,144 by the Illinois Division, American Cancer Society, Dr. E. B. Sylvester, chairman of the Will County chapter has reported.

The latest grant series brings the total money spent in Illinois by the national and divisional ACS office to a grand total of \$660,207.

The funds will be used to

step up the cancer control program in medical institutions and division chapters thruout the state. The grants will be used to support the ACS program of research, education and service. The money comes from the proceeds of the 1958 Cancer Crusade, Dr. Sylvester said.

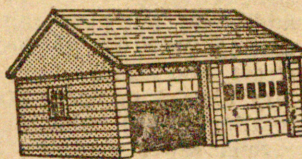

Will County Chapter will receive \$14,200 for the 1958-1959 cancer control program. Of this amount \$8,775 has been

set aside to maintain the Information Center Office at 58 N. Chicago st., Joliet. The public education program, specifically for keeping the people in the county posted on the latest word in the fight against cancer, will receive \$775. The service program of free cancer dressings, the loan of sickroom equipment.

Visiting Nurse Association calls and transportation services will receive \$3,450.

Dr. Sylvester said that \$317,137 was allocated to 23 chapters where information centers are located. Seventy-two county chapters that do not operate centers received \$57,365 for their program of education and service.

Business and Finance

MAURICE P. ANGLAND

Inflation and protection against inflation are the financial subjects which appear in the agenda of any banker's meeting or convention of investment men.

Life magazine in a recent issue, discusses the stock market and its present level which to many, seems too high. The article points out that the extreme bearish point of view is solidly backed by the old adage that, in economics at least, history always repeats itself. This, observation, of course, refers to the expectation we would have a severe downward readjustment after the last war. Most Wall Streeters, however, believe we are in a New Era of business, finance, and securities and are not upset by reminders of previous New Eras which ended in bitter disappointment.

Life quotes the opinion of one broker whose ability is attested by the fact that he anticipated both 1929 and 1937 drops. He is quoted as stating that if we still had the old "supply and demand" economy, he would have been "one of the most liquid men in all Christendom".

This broker points out that the abandonment of the Gold Standard in 1934 and the passage of the Full Employment Act of 1946 meant that the government would pay an important role in setting the value of the dollar. Passage of the Full Employment Act of 1946 means that henceforth we will live in a welfare state dedicated to finding a job for everyone. This Full Employment Act was not invoked in our recent Recession.)

Most financial men and economists believe the state can find jobs for everyone only by manipulation of money policies to produce more and more inflation.

Theoretically the government is desirous of full employment, stable price level, and a balanced budget. These are incompatible goals. When employment drops, the government must, by law, revive employment by pushing new money and credit into the economy. The balanced budget and stable price level are then impossible.

The stock market buying indicates that many investors prefer well selected common stocks to bonds or fixed dollar obligations as, historically, common stocks will compensate for depreciation of purchasing power of the dollar.

The Sept. 12, 1958 issue of U.S. News & World Report carried an extensive article on inflation and methods of protection against this eventuality.

In a study of events in France, the article points out that French government has been the biggest beneficiary of their inflation. In terms of gold France has paid off the cost of two world wars and reconstruction thru monetary depreciation. In gold terms, French government debt is at about its level of 1914.

It must also be shown that the bonded debt of the U.S.A. of about \$280 billion is now about \$133 billion in terms of the 1940 dollar purchasing power.

The U.S. News & World Report summarizes by showing results of a \$10,000 investment in 1940 and purchasing power value now.

A \$10,000 investment in government or corporate bond in 1940 would now have a value of \$4,800; this investment in an office building would be worth \$12,700; in a home \$12,800 - the valuations as to office buildings and homes are on re-

Proposed Flood Control Would Aid Tinley

(CNS) A \$42,000,000 flood control program for the south suburbs and far south side has been recommended to the Metropolitan Sanitary District of Greater Chicago by John F. Meissner Engineers, Inc., and is now being studied by the agencies affected.

This is part of a \$286,000,000 development recommended for the next 50 years, designed to correct present flood deficiencies in the waterways as well as prepare for the increased paving accompanying future population growth, which greatly increases flood danger.

A major item for the south-west suburbs figured at \$9,000,000 is provision of 8,600 acre feet of water storage adjacent to Tinley Creek and Stony Creek "in order to limit the maximum discharge of the Cal-Sag Channel into the Little Calumet River to 3,500 cubic feet per second."

It would thus be possible, the report states, to "permit the rapid discharging of run off" from the Little Calumet drainage area, east of Oak Forest and Tinley Park, thru a proposed \$15,000,000 pumping plant located at the army engineers on the locks being built by Calumet river south of Lake Calumet.

"With an ultimate capacity of 30,000 cubic feet per second, this plant would assure the prompt passage of

flood flows into Lake Michigan without exceeding permissible flood stages along the Calumet and Little Calumet rivers," the report said.

Two diversion ditches would be built, costing \$10,000,000 with associated channel improvements. One would cut across the large loop of the Little Calumet, from west of Green Lake to Burnham, reducing the distance between Thorn Creek and Lake Michigan by twelve miles. The other would divert flows from the Indiana portion of the Grand Calumet more directly into Lake Michigan.

The 40 square miles nearest Lake Calumet would require additional pumping capacities costing \$2,000,000 at the 95th street and 125th street Sanitary district pumping stations, totaling 10,000 cubic feet per second sewer pumping capacity, the report found. This would achieve a storm drainage capacity of 300 cubic feet per second per square mile.

"The resulting peak sewer discharge of 12,000 cfs would be reduced to about 5,000 cfs added flow to the Calumet river northward by a 2 1/2 foot stage rise in the 1,600 acres of Lake Calumet," the report said.

"Should this lake be reduced in storage capacity in years to come, correspondingly larger capacity to deliver flood waters directly to Lake Michigan will be required."

For the 107 square mile Thorn creek watershed south of the Thornton Lansing road (about 179th street), the report proposes expenditures of \$7,000,000, as follows: \$560,000 for channel excavation immediately, to permit 4,000 cfs discharge into the Little Calumet; \$1,290,000 for bridges; \$1,920,000 for a reservoir of 3,800 acre feet running back from a gated retention dam, with a 30 foot crest elevation at Thornton; and \$2,100,000 for Thornton quarry to be used for storing 8,200 acre feet starting in 30 years when the paved area increases. The remaining \$1,130,000 is for engineering and contingency.

The first reservoir area, which would have a surface of 1 1/3 square miles and average depth of five feet extending several miles along Thorn and North Creeks, should be acquired at the earliest possible date, the report urged.

"The Little Calumet river valley is extremely narrow and flat," the report states. "The elevation of the river bottom varies only 12 feet in 15 miles between points one mile above Cal-Sag and Hart Ditch, while the bottom gradient of the tributaries varies from 6.7 to 15.1 feet per mile, except Deep river which has a slope of only 3.1 feet per mile.

Other tributaries of the Little Calumet, for which its acts "as a sluggish lagoon," are Midlothian Creek, Salt Creek,

Calumet Union Drainage Ditch and Calumet Slough, the report pointed out.

Thorn Creek has several tributaries, the largest being Butterfield Creek, and drains "a fan shaped area, a very efficient drainage pattern," it added.

"Approximately 80 per cent of this portion of the watershed is either under cultivation, or made up of parks and swampland. As the area is developed and sewerage, the potential run-off will increase.

"The maximum run off of the Little Calumet at South Holland is now 4,760 cfs as recorded April 6, 1947; for Thorn Creek at Thornton, it is 4,700 cfs as recorded in the storm of July, 1957. Existing channel capacities have prevented these volumes from rising higher.

"Improvements now under construction in the Little Calumet are all upstream or on tributary streams. At present the upper reaches of Thorn Creek are being improved by the Division of Highways. Improvements along the lower reach would be included as an integral part of a plan for the Little Calumet river."

There are already two "man made" diversions along the Little Calumet: the Cal Sag which reverses the flow at Blue Island so that it crosses the continental divide to the Des Plaines watershed, and Burns Ditch east of Gary, Ind., the report pointed out.

that 4-H Club work continues to grow and the interest of all citizens continues to mount.

I was very impressed with the fact that the average tenure of the commercial organizations sponsoring awards in the 4-H Program is over 15 years. More than 13 donors have been active for 25 years. This seems to me to be good evidence of the high regard that the citizens have for the 4-H Club program. Merrit Hill, of the Ford Motor Co., referred to this as the "Corporate Conscience", in his talk to the group. One cannot help but have a feeling of satisfaction from being associated with 4-H Club work after hearing outstanding 4-Hers tell of their experiences and hear commercial concerns speak with such enthusiasm about the 4-H Program.

Now is the time to get started in 4-H Club work. The program is open to youngsters between the ages of 10 and 21. Anyone interested should contact my office.

Here is a program I would like to see somebody start. Safety researchers have found that mid-morning and mid-afternoon are the most likely times for accidents in the operation of farm machinery. Maybe all machinery operators should take a snooze during mid-morning and afternoon. If you do not have time for that, just get off the tractor and walk around for a few minutes and get your blood circulating. You will be more wide awake after this little jaunt and you will become a less likely accident victim.

It is a safe bet that almost everyone looks forward to the arrival of cool weather. It is also a safe bet that persons having box elder trees in their neighborhood will have some un-welcome guests with the advent of cool weather. If they do get inside the house, they will not eat anything. They are a nuisance, however, and sometimes spot curtains and

wall paper. The application of a 1 1/4% dieldrin spray, made by mixing a 1/4 pint of 20% concentrate in two gallons of water will control these pests. Apply the spray on walls and foundation of the house, and on the trunks of nearby trees. Caulking all cracks and crevices around your home should prevent entry; however, if they still get inside, use a Pyrethrin household spray or go after them with a vacuum cleaner.

A notice to farm families - A Mobile Unit of the Tuberculosis unit will be in Tinley Park Monday, September 29 from 1:30 p.m. to 9:30 p.m.

Here is a good chance to come in and have a chest X-Ray, if you haven't done so recently.

BAND BOOSTERS DANCE
The Lincoln-Way High School Band Boosters will sponsor their dance, School Daze", on Saturday night September 27, from 9 to 12 o'clock. Tickets may be purchased from any Band Booster or band member.

The Band Boosters is an organization of parents to help support the Lincoln-Way band in every way it can.

The Band Boosters sponsor two dances a year and also have at least one other profit making project. Last year the Boosters sold Lincoln-Way decals for automobiles. The Band Boosters also held a banquet for the band members and parents in the spring of last year. They are making this an annual

production value; investment in a farm would have value of \$15,300; and this \$10,000 invested in industrial stocks would have a value of \$23,100. The basic date was secured from U.S. Department of Agriculture, U.S. Department of Commerce, U.S. Department of Labor, and Standard & Poor Investment Service.

event. This year the Band Boosters plan other money making projects besides the dances.

WILL SELL CANDY

The annual candy bar sale sponsored by the Lincoln-Way will begin on Sept. 26, and will last for two weeks. The band holds this sale every year to purchase uniforms.

The candy bars are milk chocolate almonds. They are weighing four ounces. The candy bars may be purchased before and after school and during the lunch periods or they may be purchased from any band member.

GIRLS ENJOY CAMPING

The grounds behind Lincoln-Way High School will be invaded on the next three Friday nights by hosts of campers, interested girls from Lin-

coln-Way's four classes. The girls will learn camping techniques. Facilities for sports will be available, and there probably will be a game of volleyball played about midnight.

The dates for the campouts, sponsored by Miss Barbara Sprayberry, are Sept. 19-sophomores, Sept. 26-freshmen, and October 3-juniors and seniors.

Farm News and Notes

I had the privilege of attending a conference for the Donors of awards of the 4-H Program. My specific reason there was to hear Ronald Kollman of Harvey, one of our outstanding 4-H Club members speak to the group about his experience in 4-H Club work. Ronnie did an excellent job of relating his 4-H experience and was overly modest in citing his many achievements.

REMODELING AND ADDITIONS OF ALL KINDS HARVEY, ILLINOIS

8 A.M. TO 9 P.M., 7 DAYS A WEEK EDison 3-3848

OTHER VIEWS OF WRECK that had the Rock Island main lines tied up all day last Friday. The upper photo shows some of the 26 cars that left the rails and was taken before maintenance of way crews began the formidable task of cleaning up the mess and getting traffic moving. The lower photo is a close up of the car that plunged into the waiting room of the Midlothian station. The wreck occurred about 4:30 a.m. and by late afternoon the lines were in operation again. (Marvin Smith photo)

Better Business Bureau Warns Against the "Pilot House" Racket

Don't buy the "model home" or "pilot house" pitch by nimble tongued salesmen who want to use your residence as a "demonstration home" for his company's remodeling work, says the Better Business Bureau. This warning is issued because inquiries and complaints from the public indicate these selling techniques are becoming more widespread. Less reputable remodelers in the Chicago area find this sales approach most convincing.

Last Tuesday afternoon Mrs. Roy Thoresen entertained friends at a desert-luncheon, in honor of the birthday of Marie Bettenhausen. Other guests were Mrs. Fred Heusner, Mrs. Burton Breidert and Mrs. Wendell Morrison. Mrs. Herbert Folkers and Mrs. John Knight attended the Red Cross annual meeting held at Joliet Tuesday evening.

The Trailway Girl Scout Council meeting, held Wednesday evening at the Joliet Arsenal was attended by Mrs. Herbert Folkers. Officers were elected at the first meeting of the delegates.

Special Rally Day services will be held next Sunday in both St. Peter's and Methodist Church Sunday Schools.

The first quarterly conference of the Methodist Church will be held next Sunday at the Ottawa St. Church at 2:30 P.M.

The Commission of Education of the Methodist church will meet in the church at 7:30 p.m. Monday, Sept. 29.

Mr. and Mrs. Lawrence Woodman entertained Miss Viola Lankenau and Mrs. Henry Bettenhausen of Tinley Park at dinner Sunday.

Albert Bobzin, a former resident, has been a medical patient in St. Francis hospital in Blue Island for the past month. At latest reports he is recuperating nicely at his home in Blue Island.

Frankfort 45th Wedding Anniversary Party Given for Herbert Lambrechts

BY KATHERINE HEISNER
Frankfort 5187

Mr. and Mrs. Herbert Lambrecht were the honored guests Saturday evening at a dinner party in honor of their 45th wedding anniversary, given in the home of their son, Mr. and Mrs. Paul Lambrecht. Guests were Mrs. Harry Berst, Mrs. Henry Stellwagen, Rev. Ted Berst, Mrs. Martha Hansen and daughter all of Joliet, also Rev. and Mrs. Erich Bizer, Miss Viola Lankenau, Mr. and Mrs. Henry Breidert and Mr. and Mrs. William Wilson, both of Briar Woods, Mr. and Mrs. Fred Heusner, Mr. and Mrs. Art Lambrecht, Mr. and Mrs. Edward Warning, Mr. and Mrs. Fred Kohlhausen, Mr. and Mrs. Howard Osmus and sons, Mr. and Mrs. Burton Breidert and Robert, Mr. and Mrs. Lynn Kohlhausen and family and Mrs. Thomas Barton of St. Louis, Mo., after dinner a social evening was enjoyed.

Mr. and Mrs. Stanley Johnson and her mother, Mrs. Charles Scheer, entertained the latter's sister, Mrs. Olan Iversen and family of Chicago and her sister Blanche Mitchell at supper last Sunday in their home.

Mrs. Anna Scheer and Mrs. Albert Stauffenberg of Manteno spent several days last week as houseguests of Mr. and Mrs. Edward Vollrath in Joliet.

A few relatives gathered at the home of Mrs. Anna Scheer last Thursday evening in observance of her birthday. They were Mr. and Mrs. Albert Stauffenberg of Manteno, Mr. and

tended a minister's retreat of the United Church of Christ Churches held at Lake Bloomington Tuesday and Wednesday. Mrs. Bizer visited at the home of her son, Rev. Arnold Bizer at Arthur, Ill.

Mr. and Mrs. Henry Theis and Mrs. Henry Hilmann, all of Lake Zurich visited with Rev. and Mrs. Erich Bizer Tuesday.

The teachers of St. Peter's church will meet next Tuesday evening Oct. 1st at the church at 7:30 P.M.

Mr. and Mrs. Henry Mossel entertained at a 4 o'clock dinner in honor of the baptisms of their children, Hugh Allen and Hope Irene. Their guests were Mr. and Mrs. Fred Williams, maternal grandparents, Jay Williams and his fiancée, Miss Carol Gimont, all of Chicago, Mr. and Mrs. Thomas Mossel of Harvey, parental grandparents, Mr. and Mrs. Robert Smith and son, of Orland Park, and Mr. and Mrs. Leroy Mager and daughter

Spring and Stones Mark Site of Old Fort

JOHN W. ALLEN
Southern Illinois University

Hardly any motorist along Illinois Highway 3 between Waterloo and Columbia know that they pass within a stone's throw of the site of a frontier fort known as Whiteside's Station.

This important defense center was on the south brow of the hill a short way toward Waterloo from Shoemaker cemetery and diagonally across the highway from Shoemaker school. It is about two miles south of Columbia.

It is not strange that people pass the location and do not know it. There is now little left to indicate that a fort was ever there. In fact, a shallow pit and a small pile of shaped stones are all that was found on a recent visit. These marks the spot where the fort's stone magazine stood. Within memory the pit was deeper and the stones were part of a wall in the shelter of which cattle came to stand during wintry winds.

There also is a nice flowing spring about 50 yards southwest from the pit. A section of large vitrified tile now encloses it. This is where the post got its water supply.

Defenses such as this once were common in the region. Nevertheless, it is difficult to realize that between the time settlers began to come from

the older states and the end of the War of 1812, there were a good 50 somewhat similar stations in Southern Illinois. They were erected to guard against unfriendly Indians, then common in the region. In addition to these posts erected primarily to repel attacks, there were many log houses whose walls had loopholes that made them into family sized forts.

The typical blockhouse was a sturdy, two-story one of heavy, hewn logs closely fitted. Corners were carefully trimmed and the outside walls were smooth so that those attacking could not climb them. The upper floor was extended beyond the lower one. Holes about three feet on all sides cut thru the floor of this projection enabled those within to fire down upon the heads of any attackers who might succeed in reaching the walls below.

The upper floor walls were pierced with narrow slits or loopholes thru which the defenders could see and fire upon an approaching enemy. Without cannon, which attackers almost never had, the advantages definitely were with the defenders. When supplied with sufficient water, food and ammunition, a small group could hold off a superior force armed only with rifles. Women and children

often helped during an attack by loading and passing rifles to the men firing from the loopholes.

Sometimes a single blockhouse would be surrounded by a palisades. In other cases a rectangular stockade would be built with two blockhouses, placed at opposite corners. This arrangement allowed defenders to fire along the sides of the long walls. A few more pretentious forts had blockhouses at each of the four corners.

The stockade walls or palisades were made of logs set closely against each other in a ditch and having dirt tamped firmly about their base. These walls, sometimes 15 feet high, like the upper walls of the blockhouses, were pierced at regular intervals by loopholes placed high enough to prevent outsiders from seeing or firing at those going about inside. Near each loophole there would be a block or platform on which a defender could stand to peer out and fire upon an enemy. This arrangement was frequent in blockhouses. The outside of these openings were not more than two or three inches wide, thus offering the smallest target for attackers. Toward the inside the openings widened to allow the defender to shift his rifle and cover a wider

range. Lone blockhouses or family forts, could afford protection to only a small number. They did, however, give convenient and needed refuges. On the other hand, stockades and stations generally had wells or springs to furnish water, and sheds and feed for livestock. With stored food and ammunition sufficient for their needs, these larger stations deterred any but the strongest attacking parties. Whiteside's was such a station.

William Whiteside who gave name to the station had grown up on the Carolina frontier in an area of almost constant Indian conflict. After taking a prominent part in the battle against the British at King's Mountain he moved westward and reached Illinois in 1782. He immediately became an outstanding leader against the Indians. There are many accounts of the exploits he and his sons performed over the years. The mere mention of his name strengthened the courage of settlers. It also aroused dread in the hearts of the Indians.

Fragments of history that linger about this fort are interesting. The numerous stories of Indian depredations and of retaliations by the white settlers reveal the deadliness of the conflict.

Green Garden

Surprise Couple With Party on 15th Anniversary

By KATHARINE HEISNER
Frankfort 5187

Mr. and Mrs. Richard Borms were pleasantly surprised last Wednesday evening when a group of relatives arrived to help them celebrate their 15th wedding anniversary. Present were Mrs. Albert Borms, Mr. and Mrs. Walter Bettenhausen and Miss Frieda Borms, Frankfort; Mr. and Mrs. Orlyn Borms and daughters Carol and Marian, Tinley Park; Mr. and Mrs. Louis Bettenhausen and family, Fred Koehler and Christiana Koehler, Blue Island, and Mr. and Mrs. Albert

ers and the principal, Walter Kosek, to set up the school health program.

The Teen Club had a hayride Saturday evening, Sept. 19. Alvin Bormet supplied the wagon and Tony Bettenhausen supplied the hay. After the hay ride the Teen Club met at Susan Rockrohr's for refreshments. Proceeds from the tickets will go to building up the treasury. Mrs. Julie Bressi was chaperone and Lester Rockrohr drove the tractor.

Al Richart is attending classes in business management at the Illinois Institute of Technology in Chicago.

Bettenhausen and family of Lincolnwood.

Refreshments were served. A purse was presented to the honored couple.

The annual chicken supper given by St. John's Evangelical and Reformed church at North Peotone, will be held Thursday, Oct. 2 from 5 to 8 p. m. Tickets will be sold at the door.

The Junior adult group will meet Friday evening at 8 p. m. at the St. John's North Peotone church. A discussion period will be held with Mr. and Mrs. Norman Yunker, Mr. and Mrs. Vernon Werner will act as chairmen. Hostesses are Mr. and Mrs. Norbert Behrens and the Rev. and Mrs. Ernest Gander.

Mr. and Mrs. John Kuse Sr. and family, Mr. and Mrs. Henry Kuse and family, Mr. and Mrs. Herman Kuse and daughter of Frankfort, and Mr. and Mrs. Paul Schrank and family of New Lenox assisted John Kuse Jr. in celebrating his birthday anniversary Sunday evening in his home.

Savings & Loan Official Heads Heart Campaign

Benjamin Keach, president, Chicago Federal Savings & Loan Association, 100 North State st., has accepted the appointment as general co-chairman of the 1959 Heart Fund Drive of the Chicago Heart Association.

Mr. Keach served last year as State chairman of the public relations division of the Heart Fund drive. He has long been active in forwarding the heart cause, contributing space for heart displays, stunts, and meetings. A special contribution during heart month last year was the continuous showing to the public, free of charge, of the motion picture, "Red River of Life" filmed by the Moody Institute of Science, and presented thru the Chicago Heart Association.

An active participant in numerous civic and community projects, Mr. Keach is a director of the Chicago Better Business Bureau; director and advertising chairman of the Cook County Council of Insured Savings and Loan Associ-

ation; a director of the United States Savings and Loan league; a member of the State Street Council; and a life member of Chicago Academy of Science, of the Chicago Historical Society and the Chicago Natural History Museum. In addition, he is a member of the Art Institute of Chicago, of the Executive's club of Chicago, and treasurer of the Rotary club of Chicago.

Mr. and Mrs. Keach live at 180 East Delaware Place, Chicago.

Target for the 1959 Chicago Heart Fund campaign, annually conducted during February, is \$1,200,000. Proceeds of the drive are used to support an active program aimed at the control of heart disease.

Outlaw Vines Can Kill Trees, Experts Warn

Trees would take cover, if they could, when ground cover gets out of hand.

Ground cover that runs wild can be an arboreal killer. Allowed to climb trees, it may smother them in time, warn M. W. Staples, field supervisor of the Davey Tree Expert Co.

Vinelike growths sometimes have a tendency to entwine themselves so tightly around shade and ornamental trees they actually cause strangulation, cutting off sap circulation. In other cases, climbing vines may shade out tree foliage by shutting off vital sunlight. Strong-growing vines, such as ivy and wisteria, particularly need watching to make sure that damage is not done.

The prime purpose of ground cover is just that — covering places too shady for grass or slopes difficult to maintain as lawns. Vines are seldom decorative when allowed to climb favorite trees.

They have a place in the outdoor decor, but they should be provided with a trellis, fence or arbor.

Check your trees once a year to control the problem. This fall is as good a time as any to look for and thwart any encroachment of ground cover onto the valuable greenery.

Strange how quickly a wedding certificate turns into a driver's license!

The Bremen Beat

By EDWIN BRUELL

The "Bremen Echo", bi-weekly newspaper at Bremen community high school, recently opened its subscription campaign.

Jennifer Gilman is editor-in-chief with Alice Wiegman as assistant editor. The business manager is Caroline Sorn with Sharon Van Dyke taking charge of layout. Vern Fein is sports editor.

Reporters are Britta Ahern, Donna Bonaker, Barbara Brown, Karen Digman, Carol Gillaspie, Jill Hollingshead, Betty Johnson, Judy Krull, Peggy Miller, Marlene Ogden, Arlene Paters, Pat Rea, George Rieke, Caroline Sorn, Dave Syfert, and Sue Watkins.

Faculty sponsors are Norma Walker, Joanne Crawford and Katherine Nolan.

DANCING

The first dance of the school year at Bremen was sponsored Saturday, Sept. 13, by the Bremen Echo, school newspaper.

The all-school dance, which had a large attendance, featured records.

Norma Walker and Katherine Nolan, faculty sponsors had charge of refreshments and publicity respectively.

The next Echo dance will be held Friday, Jan. 23, at 6:45 p. m. after the basketball game with Carl Sandburg.

Cub Council Sends Call for Den Mothers

DOROTHY GOBLE
KE 2-3696

The Cub Scout Council of pack 256 is sending out a plea for den mothers. Cubs of pack 256 are very anxious to begin their activities, but to do this they need help. Cubs range from eight to 11 years of age. At the present time there are nine cubs. If there are any mothers willing to give these boys one hour a week, please call Howard Jones (KE 2-3958). Unless this plea is answered it may be necessary to disburse the cub pack.

The Kirby McIntosh PTA is having their first bake sale of the year Saturday, Sept. 27 in the Ben Franklin store, between 9:30 a. m. and 3:00 p. m.

Miss Mary Stypell, public health nurse, paid her first visit to the Kirby school Thursday, Sept. 18, where she met with health chairman, Mrs. Agnes Pet-

What Do You Think Of The Reformation? PHONY Or GOD'S Work.

Much has been debated about the particulars of the Reformation Movement! Of course, from the Reformation Movement sprang the Lutheran Church and the beginnings of most of the Protestant Churches that we know today. However, the question often is fired, "Are the Protestant Churches illegitimate?" What do you think?

Rev. Dallas D. Mucci, pastor of the Tinley Park Nazarene Church will be speaking on the "Sense of the Reformation" for the next two Sunday mornings at his local church located at 171st Street and Oconto Ave., Tinley Park. Rev. Mucci is a student of history, the Bible and a former Catholic. You will, no doubt, want to hear his message. He contends, "God ordained the Reformation."

World Wide Spotlight

With the advance of Nasser and Mohammedanism, with the march of the 8,000,000 card carrying communists, the question is even more pertinent. Europe is not being won by the old established church, but by Communism.

You will not want to miss the important facts of the losses sustained by the Christian faith before the onslaught of the isms of the world. The Rev. Mucci will, no doubt, contend as does Mr. Billy Graham, "Eight million card carrying communists are winning the world, while a hundred million decadent Christians sleep." (Advertisement)

Surprise Couple With Party on 15th Anniversary

By KATHARINE HEISNER
Frankfort 5187

Mr. and Mrs. Richard Borms were pleasantly surprised last Wednesday evening when a group of relatives arrived to help them celebrate their 15th wedding anniversary. Present were Mrs. Albert Borms, Mr. and Mrs. Walter Bettenhausen and Miss Frieda Borms, Frankfort; Mr. and Mrs. Orlyn Borms and daughters Carol and Marian, Tinley Park; Mr. and Mrs. Louis Bettenhausen and family, Fred Koehler and Christiana Koehler, Blue Island, and Mr. and Mrs. Albert

ers and the principal, Walter Kosek, to set up the school health program.

The Teen Club had a hayride Saturday evening, Sept. 19. Alvin Bormet supplied the wagon and Tony Bettenhausen supplied the hay. After the hay ride the Teen Club met at Susan Rockrohr's for refreshments. Proceeds from the tickets will go to building up the treasury. Mrs. Julie Bressi was chaperone and Lester Rockrohr drove the tractor.

Al Richart is attending classes in business management at the Illinois Institute of Technology in Chicago.

Bettenhausen and family of Lincolnwood.

Refreshments were served. A purse was presented to the honored couple.

The annual chicken supper given by St. John's Evangelical and Reformed church at North Peotone, will be held Thursday, Oct. 2 from 5 to 8 p. m. Tickets will be sold at the door.

The Junior adult group will meet Friday evening at 8 p. m. at the St. John's North Peotone church. A discussion period will be held with Mr. and Mrs. Norman Yunker, Mr. and Mrs. Vernon Werner will act as chairmen. Hostesses are Mr. and Mrs. Norbert Behrens and the Rev. and Mrs. Ernest Gander.

Mr. and Mrs. John Kuse Sr. and family, Mr. and Mrs. Henry Kuse and family, Mr. and Mrs. Herman Kuse and daughter of Frankfort, and Mr. and Mrs. Paul Schrank and family of New Lenox assisted John Kuse Jr. in celebrating his birthday anniversary Sunday evening in his home.

Cavett Drug

The Rexall Store

TINLEY PARK, ILL.

September 13, 1958

To Our Patrons:

While we exert every possible precaution in selecting magazines and comic books which are on sale at the Cavett Drug Stores, it is impossible for us to read all of the literature which is distributed for sale.

Many periodicals which come to us are rejected because we know that they are not suitable for young people to read. Others, perhaps, are on the stands which you would not want your children to read. If you will notify us of any "off-color" magazines or comic books on our racks, we will be glad to remove them, and to discontinue their sale in the future.

We are anxious to serve parents and young people in a constructive way, and will not knowingly sell any merchandise which is detrimental to the development of good citizenship.

Respectfully yours,

William A. Einhorn

Telephone Pioneers Take Active Part in Community Welfare Work

More than six million years of telephone service were represented when the Telephone Pioneers of America convened for their annual general assembly, Sept. 16-18, in Chicago. Hundreds of active retired employees of this area took an active interest in the assembly.

The Pioneers—an organization of 194,000 telephone workers with 21 or more years' service—had more than 1600 delegates and guests attending sessions in the Conrad Hilton hotel.

Representing the Harvey Council of Illinois Bell Telephone Company's Theodore N. Vail Chapter No. 1 were Miss Mary B. McKay, president, of Harvey; and Mrs. Stella M. Tedrow, secretary treasurer, Midlothian. Harvey Council includes members from a tremendously wide geographical area, from Kankakee on the south to Chicago on the north.

The Pioneers, world's largest social industrial organization, has members in every state in the union and every province of Canada. They are widely known for their community activities and work among sick and retired members.

"Community Service Activities" was the theme of the general assembly meetings at the Hilton. Harvey Council is organized to donate over 2,000 hours annually to volunteer work at the Tinley Park State hospital. Other local contributions in time and service will be made as the program gains momentum.

Illinois Bell's Vail Chapter was the first Pioneer group, starting in 1911. The chapter now has more than 14,000 active and retired employees, and the other local chapter, Hawthorne, of Western Electric Company, has about 10,000 members. William V. Kahler, president of Illinois Bell, is international Pioneer president.

Highlight of the assembly was "Pioneer Night", Sept. 17, in the Chicago Stadium. About 15,000 telephone people attended, along with Gov. William G. Stratton, who proclaimed Sept. 14-20 as "Pioneer Week." Lawrence Welk and his entire television show, including the Lennon Sisters and Vocalist Alice Lon, entertained. Speakers on "Pioneer Night" included Arthur B. Goetze, president of Western Electric Company, which this year, was the host company; Frederick R. Kappel, president of American Company; Stratton and Kahler, Chicago Mayor Richard J. Daley attended a Sept. 16 luncheon officially opening the assembly.

J. P.'s to Discuss Blue Ballot at Harvey Meeting

A meeting has been called, sponsored by the Cook County Justice's and Police Magistrate's Association, for tonight Sept. 25, at 8:00 o'clock in the Thornton township high school auditorium.

The purpose of the meeting is to have a thorough discussion of the merits and demerits of the Judicial Reform Act which comes up to a vote, Nov. 4.

Among the things to be discussed are the ways in which the proposed amendment will affect the general public; not only those who use the courts, but those of the general public who never have occasion to go to court.

"Poverty is not a disgrace—and that's about all that can be said in its favor." — R. M. Tucker.

An automotive invention that is greatly needed—brakes that automatically get tight when the driver does.

PTA News

DOCTOR SCHOOL

A large group of people attended the first meeting of the season of the Doctor school PTA.

The guest speaker, Mrs. Richard Yang of Orland Park, spoke on "Chinese Customs."

Teachers at the school this year are Louis Spire, principal and teacher of 6th, 7th, and 8th grades; and Mrs. L. Stoult, grades 1 and 2.

School board members are Henry Andresen, president; Gordon Doctor, clerk; and Lynn Carl.

Officers of the PTA are Mrs. Lynn Carl, chairman; Mrs. Clyde Young, vice chairman; Mrs. Edward Umek, secretary; and Mrs. Joseph Bauer, treasurer. Other chairmen are Mrs. James Smith, hospitality; Mrs. Elmer Aggen, hospitality; Mrs. Henry Andresen, publicity; Mrs. Gordon Doctor and Mrs. Robert McCarthy, membership; Mrs. Melburn Dralle, visual education; Mrs. Lynn Carl, librarian; Mrs. Jerre Vanek, ways and means; Mrs. Aggen and Mrs. Young, co-chairmen; Mrs. Rudolph Bayer, health and safety; Mrs. Charles Stewart, magazines; Mrs. Herman Gee, program coordinator.

Room mothers for the year are Mrs. Henry Andresen, Mrs. Joseph Bauer, Mrs. Lynn Carl, Mrs. Gordon Doctor, Mrs. Formas, Mrs. Herman Gee, Mrs. Robert McCarthy, Mrs. James Smith, Mrs. Edward Umek and Mrs. Clyde Young.

Refreshments were served by the officers at the social hour which followed.

ORLAND PARK UNIT

The first meeting of the fall season of the Orland Park PTA will be held at 7:45 p.m. Wednesday, Oct. 1, in the Orland Park grade school.

In line with the PTA motto for this year, "Do You Know?", the theme for October will be, "Do You Know Your Child's Curriculum of classroom procedure?" The speaker will be the 7th grade teacher, Mr. Callahan. He will also introduce the other teachers.

Due to the resignation of Mrs. Hans Bader as PTA president, an election will also be held. The vice-president, Mrs. Gordon Bendix, will be elected president and Mrs. George Brown, vice-president.

The nominations for the two officers were held at the official board meeting Sept. 8. Other board members present besides Mrs. Bendix, were Mrs. Frederick Diekmann, Mrs. Frank Bischoff, Mrs. Joseph Jana, Mrs. Frank Buck, Mrs. Merrill Cooper, Mrs. Harry Burson, Mrs. Victor Scheber, also Norbert Jerling, school superintendent.

A social hour will follow the PTA business meeting with refreshments being served by the 8th grade room mothers, Mrs. Elmer Libner and Mrs. Theodore Ludes, and their committee.

Illinois Plans Unique Hospital For Mentally Deficient Children

Governor William G. Stratton today approved a scale model of the \$5,500,000 Pediatric Hospital for the mentally deficient to be constructed in Chicago by the Illinois Department of Public Welfare.

Governor Stratton congratulated the architects and said that, when completed the hospital "will provide Illinois with one of the finest research facilities in the nation to explore the frontier-land of mentally deficient children."

The new 576-bed hospital is the first of the kind in the country and is specifically designed to accommodate mentally deficient children from birth to the age of six years.

Governor Stratton said that the new facilities will relieve some of the overcrowding at the present state hospitals at Lincoln and Dixon. He said the hospital will include physiotherapy, recreational therapy, nurses training, an isolation department, and ample indoor and outdoor play areas.

The governor stated that one

of the outstanding features of the new hospital will be "the residential" or home-like feeling it will create for its children patients.

"It will add another great medical unit to the ever-increasing network of such buildings which the people of Illinois have been fortunate in receiving in the past few years."

Scheduled to be completed early in 1960, the seven-story building will be completely air-conditioned. Constructed of red brick and white limestone, the new hospital will be located at Roosevelt Road and Ashland blvd.

When completed, it will be the largest research facility of its kind in the United States and will have a staff of from 350 to 500 persons.

The hospital was designed by the Chicago architectural firm of Friedman, Alschuler and Sincere to take fullest advantage of the site, the adjacent facilities of the West Side Medical Center, and the Psychiatric Hospital.

Be Careful When You Hunt—the Next Accident May Be Your Own

The 1958-59 hunting season soon will be in full swing for more than a half-million hunters in Illinois. The Motor Club cautions these marksmen to be careful at all times while enjoying their sport.

Hunting dates in Illinois this season include: deer, Oct. 1-15 (bow and arrow)—Oct. 31-Nov. 2 (shot gun with rifled slug); ducks, Oct. 18-Dec. 26, inclusive; pheasants, Nov. 11-30, inclusive; bobwhite quail, Nov. 15-Dec. 24, inclusive; rabbit, Nov. 22-Jan. 20, inclusive; squirrel, already under way—until Oct. 15 in the southern zone and until Oct. 31 in the northern zone; and doves, underway until Oct. 15, inclusive.

The Motor club offers the following tips for the hunting season:

1. Be particularly careful before dawn and after sunset. That's when most hunters hit the highways.
2. Never hunt on farmland without obtaining the owner's permission. You can be fined for trespassing even though the land isn't posted.
3. Never carry a loaded gun in your car; carry your ammunition separately.
4. When crawling thru fences, break your gun or make sure the safety catch is on; fences are one of the greatest danger points in hunting accidents.
5. Never fire from a car or toward a road or highway; it's not only dangerous, but also illegal in most states.
6. If you're not used to much

exercise, don't overtax yourself while hunting. Your heart isn't accustomed to this type of exertion.

"Sometimes a woman doesn't care for a man's company unless he owns it." — Anna Herbert.

CHRISTIAN SCIENCE

The spiritual, harmonious nature of God's creation including man will be brought out at Christian Science services this Sunday.

Among the Bible passages to be read in the Lesson-Sermon entitled "Reality" is this one: "The prophet that hath a dream, let him tell a dream; and he that hath my word, let him speak my word faithfully. What is the chaff to the wheat? saith the Lord" Jeremiah 23:28.

Correlative passages from "Science and health with Key to the Scriptures" by Mary Baker Eddy will include this: "Jesus' demonstrations sift the chaff from the wheat, and unfold the unity and the reality of good, the unreality, the nothingness, of evil" 269:5.

The Golden Text is from Psalms 45:6: "Thy throne, O God, is for ever and ever; the sceptre of thy kingdom is a right sceptre."

Hold Blue Ballot Discussion at Thornton Tonight

A panel discussion on the proposed judicial amendment to the Illinois Constitution, coming before the voters Nov. 4, will be held in the Thornton Township High School 151st and Broadway, Harvey, at 8 p.m. Thursday, Sept. 25.

Arguments in favor of and against the proposed amendment will be heard.

The meeting is being held under the sponsorship of Cook County Justices and Magistrates Association.

Under the proposed amendment a new court system would be set up, with administrative authority in the supreme court. Salaries of all judges and magistrates would be paid by the state.

Supporting the amendment are the Illinois State and the Chicago Bar Association, Governor William G. Stratton, Mayor Richard J. Daley, former Governor Adlai E. Stevenson, Attorney General Lathan Castle, and many judges and legislators.

Those opposing the blue ballot maintain it is bad because it makes the judicial department of Illinois completely subordinate to the legislative department, in violation of the constitutional doctrine of separation of powers.

Another argument against it is that it fails to provide constitutional terms of office for judges, leaving them at the mercy of the legislature.

Nazarenes Reach For Million In Witnessing Week

Plans for the Tinley Park Nazarene church to take part in the denomination's goal of reaching one million people with a personal testimony and invitation during a "Week of Witnessing," Oct. 5-12, were announced this week.

The Rev. Dallas D. Mucci, pastor, said the Tinley Park church will endeavor to bring a "vital Christian witness" to at least 250 persons, or more than four times its membership.

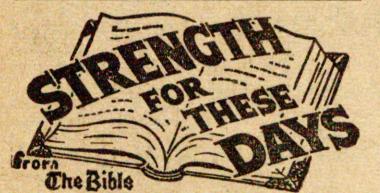

Attractive four page folders in gold and black will be given during the campaign entitled, "You are one in a million!"

The folder tells how Nazarenes around the world will be "witnessing to salvation through Christ" during the week. "We are doing this because we love Christ and are interested in you," the folder states.

On the back is an invitation to the anniversary Sunday morning service, Oct. 12.

Each pastor will report by telephone to zone leaders the number of persons witnessed to during the week and also the attendance in church on Oct. 12.

One church leader summarized the week of witnessing as follows: "As a denomination, we are endeavoring to show our concern for the lost here at home. Fittingly enough, it

For God hath not given us the spirit of fear, but of power and of love and of a sound mind.—(Timothy 1, 7.)

When we trust in God completely, we are freed from the fear and fearful imaginings which are born of human weakness. We become strong and courageous in the release and the exercise of the divine strength and power that is within us—the God-given spirit that fills and rules us when we let it do so.

Hearty Soup For Fall Days

The days are turning cooler... the leaves are changing color... both wonderful signs of fall.

Appetites, too, take a turn at this time of year. They are sharpened by increased activity and brisk weather. As a result, hearty meals are in order. Soup... with its tempting aroma and stick-to-the-ribs quality can be the mainstay of such meals. With the wonderful assortment of available canned condensed soups, nourishing meals can be prepared quickly.

Sure to hit the spot is this combination... bean with bacon and beef... so warming and satisfying. Ladled from a gaily colored tureen... it becomes "party fare."

To go along with this colorful soup... pass a basket of sand-

wiches... perhaps melted cheese on buns and Boston brown bread with cream cheese... include an array of homemade relishes. Then for dessert... a spicy Harvest apple pie and hot coffee.

Bean And Beef Chowder
1 can (11½ ounces) condensed bean with bacon soup
1 can (11 ounces) condensed beef soup
1½ soup cans water
Combine soups and water; heat. Makes 4 servings.

Vegetable Bean Soup
1 can (11½ ounces) condensed bean with bacon soup
1 can (10½ ounces) condensed vegetable soup
2 soup cans water
Combine soups and water; heat. Makes 4 servings. FNS

Missionary to Speak at Orland Church

Mrs. Anton Anderson will be the guest speaker at the "family night" service in the Orland Park Bible church located near the junction of Rts. 6 and

7, this Friday evening, Sept. 26 at 7:30 pm.

The Rev. and Mrs. Anderson were the founders of the Congo Gospel mission in the Belgium Congo, Africa. They began their service over 40 years ago. There was absolutely no gospel witness in the area. The people were cannibals. One year after the Andersons started their pioneer work in the Congo, they were having 125 in their services. Each year

"Now I answer the phone even while I'm getting dinner!"

Phones where you need them—wonderful for helping you get more things done—the key to extra fun and comfort for everyone in the family!

Upstairs and down—where you work, sleep, relax and play—convenient phones save you lots of time and countless steps every day. Bring you extra protection and privacy, day and night. And, of course, help you in the big job of running a home and raising a family.

The cost is low... for example, you can have three extension phones, if you need them, for only about 10 cents a day! Your choice of nine handsome colors to complement your interiors and decorating. There is a one-time-only charge for color.

Where would you like your phones? Your Service Representative at the telephone business office will be glad to help you choose the proper locations and colors to suit the needs of your family. Call her today. The number is shown on page 1 of your telephone directory.

ILLINOIS BELL TELEPHONE

they have an average attendance of 3,000 at their Easter service. They have 700 boys and girls in the mission school on their station and are also beginning a high school. They also have a maternity hospital.

They have 25 churches established conducted by native pastors.

The Rev. Anton Anderson died April 21, 1956. Five thousand natives gathered around his home while his body was lying in state and 3,500 attended his funeral.

Mrs. Anderson will return to the field in early December. She estimates eight years for white missionaries to remain in Africa, as there is rising national sentiment.

What impresses Mrs. Ander-

son most about the United States is that there are so many old people, which are not found in the Congo; also the bright lights and the great number of automobiles. Everyone is invited.

Wealthy people miss one of life's greatest thrills—paying the last installment.

Inflation note: It's not so hard to make money these days. It's making a living that's so difficult.

"Most of us know how to say nothing—few of us know when."

A smart husband doesn't get so busy bringing home the bacon that he forgets the applesauce.
